Application for Financial Assistance toward
ASMSA Global Learning Opportunities for
Japan in 2020

The Arkansas School for Mathematics, Sciences, and the Arts will offer a limited number of
grants to ASMSA students who enroll in one of the global learning programs and submit the
following application. The purpose of the grant is to help lower the cost of study abroad for
students and is part of our commitment to ensuring greater access to these extraordinary
experiences.

ASMSA will participate in the Hot Springs-Hanamaki Sister City delegation with a brief stay in
Tokyo at the start of June 2020 (final travel dates are TBD, but likely 5/31-6/10). ASMSA will
also lead its own delegation to Osaka in October 2020 in partnership with Tennoji High School.

For both the “Hanamaki Sister City Trip” and the “Osaka Tennoji Exchange” the student
will be responsible for covering the cost of the first $2,000 of qualifying travel expenses*.
Students are also responsible for costs associated with travel to and from the Little Rock
airport, any passports or visas, drinks, snacks, lunches, souvenirs, tips, optional excursions,
and other personal expenses.

*Qualifying travel expenses include airfare to and from the destination, lodging, transportation
at the destination, entry fees to program museums and other cultural sites, fees for tour guides,
as well as some meals.

Please note that the awarding of the grant is contingent upon the student returning to ASMSA for
the entirety of his or her junior (if currently a sophomore) or senior year (if currently a junior).
Students must not have earned a grade lower than a “C” during the previous semester. Also, a
Level 3 disciplinary violation or greater or considerable handbook violations can disqualify a
student from receiving the grant at the discretion of the Dean of Academic Affairs. Finally,
students who withdraw or are dismissed from ASMSA will no longer be eligible to participate in
the Global Learning Program and will be responsible for reimbursing ASMSA any money it has
paid on their behalf. No refunds will be offered under this scenario.

Interested students must submit a typed application that includes all of the following
information. In addition to the standard travel grant, there will be a limited number of full-paid
scholarships available that will be awarded based on a combination of financial need and the
student’s contribution to the living / learning community at ASMSA. In order to recognize
demonstrated commitment to life and study at ASMSA, only seniors will be awarded need-based
scholarships. Refer to the table below to see the price of the tours.

Financial Aid Agreement

In order to receive financial assistance from ASMSA to participate in the Global Learning Program, you (the student) and a parent / legal guardian must sign this document. Your signatures indicate that both of you understand and agree to the following terms.

1. I understand that by accepting financial aid from ASMSA I am committing myself to completing the Global Learning Program as well as the full program of study at ASMSA. Should I withdraw or be expelled from the Global Learning Program or ASMSA at any point prior to the completion of the study program, I will no longer be eligible to participate in the
Global Learning Program and I will be responsible for refunding ASMSA any money it has paid on my behalf as part of the grant and / or scholarship I received for educational travel.

2. I understand that the grant and / or scholarship that ASMSA is awarding me is contingent upon me remaining a student at ASMSA during the entirety of the same academic year, not earning a final course grade lower than a “C” during the previous semester, and returning to ASMSA for the entirety of the following academic year. Failure to return for the following year will require repayment of the travel grant prior to release of my records. Finally, I recognize that a Level 3 or greater disciplinary violation or considerable handbook violations can disqualify me from receiving financial assistance at the discretion of the Dean of Academic Affairs.

3. I understand that if I receive the standard grant with no additional scholarship, I will be responsible for covering the cost of qualifying travel expenses in the amount of $2000 for the "Hanamaki Sister City Trip.” I will also be responsible for covering any costs associated with travel to and from the Little Rock airport, any passports or visas, snacks, drinks, lunches, souvenirs, required tips, optional excursions, and other personal expenses.

4. I understand that if I receive a full-paid scholarship for the "Hanamaki Sister City Trip,” I will be responsible for covering the cost of travel to and from the Little Rock airport, any passports or visas, snacks, drinks, lunches, souvenirs, required tips, optional excursions, and other personal expenses.

5. I understand that should my financial aid be rescinded for any reason, I may still participate in the Global Learning Program with the permission of both the faculty sponsor and the Dean of Academic Affairs. However, I will be responsible for paying all of the costs associated with my educational travel.

6. I understand that ASMSA has a zero tolerance policy for any drug or alcohol use while on tour, and violations may result in immediate return to the U. S. and I will be subject to disciplinary action in accordance with the Student Handbook. Additionally, students will be responsible for any cost incurred as part of their return as well as repayment to ASMSA of the $750 grant and any scholarship before their records would be released to their school for enrollment.
