How do I generate a pairing code for an observer as a student?

As a student, you can generate a pairing code to link an observer to your Canvas account. You must create a separate pairing code for each observer who wants to link to your account. For more information on pairing codes, view the <u>Pairing Codes -</u> <u>Frequently Asked Questions PDF</u>.

An observer may be your parent, guardian, mentor, counselor, or another individual who needs to view your Canvas courses. Linked observers can can view and participate in certain elements of your Canvas courses. For more information on the observer role, view the <u>Observer Visibility and Participation PDF</u>.

Note: If you are an observer and want to generate a pairing code for a student, you will need to log in to the student's Canvas account and follow the steps in this lesson. After you have copied the pairing code, you can link to the student by <u>entering the code in your User Settings</u>.

Open Settings

In Global Navigation, click the Account link [1], then click the Settings link [2].

Pair with Observer

Click the Pair with Observer button.

Note: If the Pair with Observer button doesn't display in your User Settings, please contact your institution for assistance with pairing with an observer.
