

## French Language Immersion Trip in Quebec City

A two-week immersion trip is scheduled for the month of June 2024. Those participating will depart from the Bill & Hillary Clinton National Airport in Little Rock on Sunday June 9, 2024 and will return on Saturday June 22, 2024.

While in Quebec City, students stay with a French-speaking host family and attend classes in the morning at Edu-Inter school on the Collège Mérici campus. There are daily afternoon excursions for each weekday organized via Edu-Inter (see images below).

The cost to Edu-Inter will be \$1,695.00, and the round-trip flight is estimated to cost \$1,200.00. Thus, the total cost would be approximately \$2,895.00. ASMSA students are eligible for the same scholarship and grant funds as any other ASMSA Global Learning trip (with the exception of students who will graduate before the beginning of the trip).

All meals, transportation, and medical insurance while in Quebec City are included in the price and no prior language experience is required. Students are required to have a valid passport prior to departure. Passport processing now takes approximately 10 to 13 weeks.
