COVID-19 Protocol

Students and parents/legal guardians are expected to follow the published COVID-19 policies shared by ASMSA. All policies in the handbook are subject to change as conditions develop.

I. INTRODUCTION

A. ASMSA Mission. The mission of ASMSA is to create, encourage and sustain, throughout the State of Arkansas, an educational community of academically talented students, faculty and staff that pursues knowledge of mathematics, sciences and the arts. To accomplish this mission, ASMSA strives to:

1. Serve as a model for Arkansas schools;
2. Enhance the future of Arkansas by educating tenth, eleventh and twelfth grade students academically talented in mathematics, sciences and the arts;
3. Prepare students for post-secondary education by providing innovative learning experiences;
4. Provide courses and learning opportunities through distance education to improve instruction in mathematics, sciences and the arts for students and teachers throughout the State;
5. Serve as a center for teacher education;
6. Increase the public's awareness of the importance of advanced education in mathematics, sciences and the arts.

B. Educational Presentations and Activities. The school's residential setting allows for educational presentations and activities both in and beyond the classroom. These presentations and activities may include, but are not limited to, leadership development, immunizations, cultural diversity sessions, health and wellness sessions, interview skills, table etiquette and other interests of the residential population. Programs and information sessions will be publicized on the school calendar and by residential affairs to inform parents, guardians and students what is scheduled for the upcoming weeks.

C. Expectations of ASMSA Students. Students at ASMSA are expected to have a strong commitment to the pursuit of academic excellence in all subject disciplines. ***Attendance at the Arkansas School for Mathematics, Sciences and the Arts is a privilege and not a right.*** It is each student's responsibility to help make the best living-learning environment for everyone. Each member of the community is expected to:

1. Respect the rights of every student, ASMSA staff member, and visitor to the school;
2. Know and follow the applicable policies and expectations as set forth by ASMSA;
3. Represent the institution as an ambassador while demonstrating maturity and stewardship of the State's investment in their learning and growth;
4. Remain drug free at all times while enrolled at ASMSA.

D. Completing School at ASMSA. A student's right to a free and adequate public education resides at their local school. Invitations to rising sophomores and juniors to attend ASMSA and to rising seniors to return to the school are extended on a yearly basis. At any time, students deemed unable or unwilling to accept the commitment necessary to be successful in this special learning environment may be returned to their home school.

II. GENERAL INFORMATION

A. Standards of Conduct/Jurisdiction.

1. The policies set forth in this handbook apply to all ASMSA students, regardless of age.
2. Attendance at ASMSA is both a privilege and an honor. Students should bear in mind at all times that their words and actions may be scrutinized by the public; therefore, it is expected that all ASMSA students will conduct themselves in such a manner as to reflect honorably upon the school and the State of Arkansas. Under no circumstances should an ASMSA student engage in any physical or online behavior that might serve to embarrass ASMSA or the State of Arkansas.
3. ASMSA has jurisdiction over the students at all times except when the student is deemed checked out to their parents' care (See Chapter V, E, 6). As such, ASMSA will have the authority to set rules, require compliance with the rules, implement discipline, promote ethical behavior, and provide other positive influences.

B. The ASMSA Honor Code. All ASMSA students are expected to abide by the Honor Code (pg. i) found in the front of this handbook. No student may move into the Student Center and commence studies at ASMSA until they have read the Honor Code and signed the Handbook and Honor Code Acceptance Form.

C. Identification (ID) Badges.

1. All ASMSA students are required to obtain ASMSA ID badges from the Security Office during the first week of school. Students can only have one (1) ID badge in their possession.
2. Students should be prepared to present their ID when requested by a staff member or security.
3. Students must turn in ID badges at the Residential Life Office when signing out from campus overnight.
4. If a student loses their ID badge, the student is responsible for reporting the loss to the Security Office immediately. The student will then have until the end of the next class day to obtain a new badge from the Security Office. Replacement badges cost \$10, payable to the Receptionist in the Administration Building. The student may either pay upon receipt of the new ID badge or request the bill be sent to their parents.
5. When leaving either for the summer or permanently, the student must turn in the ID badge or pay \$10 for a lost or misplaced badge.
6. Visitors will receive a temporary ID badge when they sign in on campus, which they must wear at all times while on campus.
7. Parents of ASMSA students may obtain personalized ASMSA ID badges from the Security Office and must wear the badges at all times while on campus.

D. Textbooks and Supplies.

1. **Textbooks, art supplies, and art materials.** All textbooks, art supplies, art materials, and most laboratory equipment will be provided by ASMSA. Textbooks are the property of the State of Arkansas and are for the use of students only. Textbooks must be returned in good condition. Payment is required for damaged or lost books.
2. **School Supplies.** Students are responsible for providing their own school supplies.
3. **Laboratory Safety Equipment.** ASMSA provides lab aprons and goggles at no cost to the student.
4. **Personal Computers and Calculators.** Students are encouraged to bring their own personal computer (laptop preferred) and graphing calculator. Students who are unable to bring a personal computer may be provided one on loan by ASMSA. Students who are unable to bring a Calculator may get one on loan through the ASMSA Mathematics Department. Students must return the technology to ASMSA or full payment for lost, damaged, or stolen technology is required before awarding of course credit.
5. **Library Materials and Fines.**
 - a. Library materials are checked out for two (2) weeks and may be renewed; however, the Media Specialist may recall materials.
 - b. Students must pay the replacement cost on lost or stolen materials.
 - c. Removing any library material from the library without properly checking it out will be considered a violation of the student Honor Code. Possession of any library material taken from the library without properly checking it out will also be considered an honor violation.

Students are responsible for determining whether materials were properly checked out before taking possession of them.

- E. Assessments.** ASMSA is a state-funded public high school. There is no charge to the student for high school tuition or room and board. Some assessments have been established through school policy and administrative directive. All assessments must be paid at the beginning of the school year before the student may move into the Student Center. Payment by check, cashier's check or money order is strongly encouraged. Do not mail cash. Checks, money orders, cashier's check for the residential and college credit assessment should be made payable to ASMSA. If paying with cash, funds should be brought to the school. ***Program and College Credit Assessments are non-refundable.***

Any checks returned to ASMSA will be assessed a \$25.00 fee to cover bank charges to the school.

1. **Student Activity Assessment (\$110).** A portion of the student activity assessment supplements the student activities program and supports publication of the yearbook, which is free of charge to all students.
2. **Room Assessment (\$30).** Covers routine maintenance costs. Damage to ASMSA property will be billed to the student's custodial parent or legal guardian.

10. **Miscellaneous Assessments may be charged for the following:**
 - a. Field trips, programs abroad through the Global Learning Program, and other extracurricular activities;
 - b. Club dues; or
 - c. Damages to facilities or damages to or loss of ASMSA property due to negligence or abuse.

F. Work Service Program.

1. The Work Service program provides tangible benefits and community goodwill for the school, its faculty, staff, and students. All students are required to complete two (2) hours of work service weekly in a job assigned or approved by the Assistant Dean of Residence Life (or other supervising staff member). Some examples are working in the library, assisting in the Student Union or Fitness Center, and helping the faculty and staff. For all jobs the student and their supervisor must enter a contract stating the following:
 - a. What work will be performed;
 - b. When the work will be performed; and
 - c. Expected standards of performance.
2. All sophomores and juniors are required to work nine (9) weeks in the cafeteria unless medical reasons are documented to the nurse. Cafeteria work service is supervised by the cafeteria manager.
3. Contracts are due in the Residential Life Office no later than Friday of the second full week of classes.
4. A student may miss work service for medical or family emergencies or with a Dean's permission. The student must provide a note from the nurse, from their physician, or from a custodial parent/legal guardian. Work service missed for family or medical emergencies must be made up within one week of the student's return to school.
5. Failure to complete work service for a 9-week grading period will result in the following consequences:
 - a. The student is ineligible for privileges for the next 9-week grading period.

- b. The student receives a Level 2 violation for Failure to Meet a Reasonable Directive (Repeat Offense of Same Directive); and
 - c. Seniors who do not satisfactorily complete work service will not be allowed to walk at graduation. Sophomores and juniors will automatically be sent to the Re-admit Committee for evaluation of their ability to return as seniors.
6. Operating procedures for the Work Service Program are available in the Residential Life Office.

This provision should not apply to lawful surveillance conducted by law enforcement agencies. ASMSA reserves the right to impose additional restrictions on use of electronic recording devices, in its sole discretion. Questions about the applicability of this provision to a particular situation should be referred to the Office of General Counsel or the Director of Information Technology.

No Guarantee of Protection Against Unauthorized Access

Prohibition on Accessing/Moving Data Belonging to Another Account holder

H. Grievance Procedure.

1. If a conflict arises between a student or parent and a member of the ASMSA faculty or staff, the student or parent should make every effort to resolve the conflict through direct communication with the faculty or staff member.

2. If needed, a student may have their Capstone Advisor, Student Success Coordinator or ASMSA's Licensed Professional Counselor act as intermediary. If the conflict is with a member of the Residential Life Staff, the student may have the AD or the Dean of Students to act as an intermediary.
 3. If the parent or student feels that their concern(s) are not being addressed adequately or professionally, they may contact the staff member's immediate supervisor. The student or parent may continue up the employee's chain of supervision.
 4. Title IX is a federal government policy that protects people in educational settings from sexual harassment, stalking, sexual assault and any other sexual intimidation described in the law. The ASMSA campus has two people designated as their Title IX investigators. The Title IX Coordinator is the Dean of Students, phone number (501) 622-5174, and the Title IX Deputy Coordinator is the Human Resource Manager, phone number (501) 622-5131. Students should feel free to choose either person to report to or if they have a concern or question. For further details, the ASMSA Title IX policy is on the school's website: <http://asmsa.org/student-life> under Documents > Title IX.
- I. Health.** The institution has taken a number of steps in order to ensure the health of the students. We strongly recommend that the students receive a flu shot given at this institution when available and that parents consult their family physician about receiving the meningitis vaccine. Insurance, doctor, and hospital preference must be given to the institution before the student enrolls.

III. ACADEMIC PROGRAM

A. Graduation Requirements. All students must earn a minimum of twenty-four (24) high school credits in order to graduate. All students graduating from ASMSA must meet the SMART Core college and career-ready set of courses that is the default curriculum for all Arkansas public high school students in order to maintain eligibility for the Academic Challenge and Governor's Distinguished Scholarships. Students must also meet the requirements set forward by ASMSA as outlined below. One unit of credit is given for a one-semester college course or by a year-long high school course.

All ASMSA students must:

- complete the Arkansas SMART Core graduation requirements;
- complete at least four semesters of a Global Language;
- complete at least one semester of study in Biology, Chemistry, Physics (not Physical Science), and Computer Programming;
- earn a minimum of 30 hours of college credit through ASMSA's partnership with the University of Arkansas at Fort Smith as part of ASMSA's college bridge framework; and
- complete a two-semester ASMSA Capstone experience that satisfies the research and creative expression requirement, including presentation at the designated time and appropriate event (Science Fair, Arts & Humanities Symposium, Governor's Cup/Entrepreneurship Expo).

All coursework conducted outside ASMSA must be completed no later than August 15th of the senior year.

ASMSA is committed to a culture that supports a program of study that affords opportunities for students to personalize their learning. ASMSA recognizes that students experience different opportunities for exploration and acceleration based on their abilities as well as school offerings at the local level. ASMSA promotes a culture of growth and development where individual progress and realization of potential are the measures of success.

While the graduation requirements listed below reflect a general expectation for the ASMSA experience, students—in consultation with their Student Success Coordinator and the Dean of Academic Affairs—may petition for revised expectations that reflect previous opportunities, current needs, and future goals.

ASMSA College Bridge

English (3 semesters) Composition I, Composition II, and a selection from the ASMSA Literature offerings.

Math (3 semesters) Three courses from the ASMSA Math Department offerings, including a minimum of Bridge to College Algebra, College Algebra, and Trigonometry.

Students who earn sufficient scores on the Math Placement Exam will be exempt from lower-level coursework in math; however, they still must complete at least three semesters of mathematics coursework at ASMSA.

Students who have not completed Algebra II or require additional preparation prior to enrollment in College Algebra must complete one semester of Bridge to College Algebra at ASMSA.

Science (3 semesters) Three courses from the ASMSA offerings in Biology, Chemistry, Physics, Earth Science, and Computer Science or, for students enrolled in ASMSA's Visual Arts and Design

Program of Distinction, ADE approved Biology (1 credit), ADE approved physical science (1 credit), ADE approved third science or Computer Science Flex (1 credit).

Open Electives These requirements provide students with the opportunity to choose elective courses across the ASMSA curriculum. In making selections, students should consider both the breadth and depth of their learning in consultation with their Student Success Coordinator. Some students will choose to sample from a variety of topics and areas. Others will focus their attention on a specific subject.

Additional Requirements (as needed based on previous high school coursework) High School requirements as part of the Arkansas Smart Core include American Studies/ US History, World Studies, Civics, Economics, Fine Arts, Health, Physical Education, and Speech.

The one-semester courses in US History and World Studies satisfy state requirements. Students pursuing American Studies must complete the two-semester sequence as part of the class and to receive the Literature credit.

Capstone Experience Undertaking a research project, portfolio of creative work, entrepreneurial venture, or other capstone experience is the hallmark of the ASMSA experience. Students may choose from a variety of two-semester courses in their junior year. In addition, students must share their project at the appropriate public venue in order to satisfy this requirement.

All courses taken at ASMSA must be passed with a minimum grade of 60 percent. Regardless of academic standing, a student will be academically withdrawn and sent back to his/her home school if he/she receives a grade below 60 percent in any class at the end of any semester at ASMSA.

B. Minimum Core Curriculum of High School Courses Recommended for Preparation for Higher Education. The recommended core of courses is designed to be a standards-based set of rigorous courses for students preparing themselves for success in college. The core curriculum consists of two components. The first component designates the core courses designed for unconditional admission to any public two-year or four-year institution of higher education in Arkansas.

Core Curriculum for Unconditional Admission to Higher Educational Institutions in Arkansas

English	Four units with emphasis on writing skills, not to include courses in oral communications, journalism, drama, or debate.
Natural Science	Three units, with laboratories chosen from Physical Science, Biology, Chemistry, or Physics. Only one unit may come from a Life Science.
Mathematics	Four units, including Algebra I and II, Geometry, and an advanced mathematics course. It is strongly recommended that students take a mathematics course during their senior year.
Social Studies	Three units, including one of American History (not to include Contemporary American History), one of World History (not to include World Cultures, World Geography, or Global Studies), at least ½ unit of Civics or American Government (not to include courses in practical arts), and ½ unit of Economics.
Foreign Language	Two units of the same foreign language (recommended).

C. Course Load. Students should build time into each day for extracurricular activities and recreation; therefore, course selection must be carefully considered. Each student is required to enroll in a minimum of five (5) academic courses each semester. First semester juniors will be allowed to take a maximum of six (6) courses. This must include Composition I, a mathematics course, a science course, and a capstone course. To carry an overload, the student must have the written permission of his/her Student Success Coordinator and the Dean of Academic Affairs. Capstone Courses taken during the Junior Year count toward the minimum course load. First semester Sophomores will be

allowed to take a maximum of five (5) classes. This must include Sophomore English, Mathematics, and Science.

D. Grading and Evaluation.

1. There are four grade reporting periods each year (1st quarter, 1st semester, 3rd quarter, and 2nd semester). Grades are recorded as percentage averages.

A	90-100	4 points
B	80-89	3 points
C	70-79	2 points
D	60-69	1 point
F	59 and below	0 points
P	Pass	
I	Incomplete Work	
WP	Withdrawn Passing	Withdrawal from course after
WF	Withdrawn Failing	the drop/add period *

*In extenuating circumstances, the Academic Dean may grant permission to drop a class without a WP or WF on the transcript.

2. Quarter grades will be reported to the student and his/her custodial parents/legal guardian. Each course's syllabus explains how the semester grade is computed for that particular class. The student's official transcript displays only the semester grade in each class.
3. The custodial parents/legal guardians will be contacted if the teacher or administration believes the student needs additional support.
4. Weighted Grading Policy – For the purposes of college admissions and scholarships, the following grading scale will be used for designated ASMSA courses and AP courses from the home high school.

A	90-100	5 points
B	80-89	4 points
C	70-79	3 points
D	60-69	2 points
F	59 and below	0 points

Students earning a grade below 75% in any college course at the UAFS drop date will be dropped from the College roster and will not earn college credit for that course. The student will earn High School credit if they successfully complete the course.

E. Academic Honesty.

1. Academic honesty and integrity are principles upon which an academic community is based. Students are expected to do their own work and give credit to the originator of the ideas when using the thought or work of others. Students should understand what style of assignment is acceptable to teachers and should be aware of the conditions under which collaboration is allowed.
2. By virtue of being accepted into ASMSA and by having signed the Handbook/Honor Code Acceptance Form, every student agrees to abide by the Honor Code. Examples of Honor Code violations include, but are not limited to, plagiarism in all forms, stealing property belonging to the school or another student, cheating, or failing to present the truth when asked by a staff member. (See Glossary for definitions of plagiarism, academic stealing, and cheating.)
3. A teacher or staff member who suspects a student of academic dishonesty must discuss the situation with the student and the Dean of Academic Affairs. A decision will be made based upon the discussion and the evidence as to whether academic dishonesty has occurred. Disciplinary action for violations of the academic dishonesty policy can be found in (Chapter VII, Section F).

- F. Late Work Policy.** All assignments are expected to be turned in on time. Work turned in late will receive a reduced grade in accordance with the class syllabus or the following table:

# OF CLASS DAYS LATE	GRADE REDUCTION
1	15% of earned grade
2	30% of earned grade
3	50% of earned grade
4 or more	No work accepted

- G. Grade Point Average.** After the first semester of the sophomore or junior year and following each subsequent semester, student GPAs will be computed. There will be a weighted GPA as well as an unweighted GPA. The GPA computations include grades from course work for grades nine and ten from the previous high school and all grades received at ASMSA. For un-weighted GPA, grades will be recalculated on a 4.00 scale. Weighted GPA is computed with designated ASMSA classes and AP classes from the students sending school scored on a 5.00 scale. Incomplete grades will not be used in GPA computations. If the work is not completed within the stipulated period of time, the work will receive a score of zero. Cumulative GPA computations are available in Naviance or from the Office of Student Success. Note: ASMSA students are not ranked.

H. Required Tutoring and Study Center Attendance.

At any time during the semester, upon the recommendation of an instructor, a student may be required to attend tutoring and/or participate in peer mentoring sessions during Study Hours in the Study Center. At the end of any nine-week grading period, a student with a grade below a “C” must attend mandatory tutoring and participate in peer mentoring sessions during Study Hours in the Study Center. At the discretion of an instructor, a student on mandatory tutoring may be denied participation in extracurricular activities.

I. Academic Probation and Dismissal.

1. Only ASMSA courses are considered in placing students on academic probation. A student may be placed on academic probation at any nine-week or semester grade reporting period if the following situations occur:
 - a. GPA is less than 2.50 in courses taken at ASMSA for the current grading period.
 - b. A grade below a “C” in any course at the end of the 1st or 3rd grading period.
 - c. The Dean of Academic Affairs determines that it is in the student’s best interest.
2. A student on academic probation cannot be granted privileges and may not participate in any Arkansas Activities Association sanctioned events or club-sponsored competitions.
3. If a student is placed on academic probation, the following steps may be taken:
 - a. The Registrar will contact parents to offer a staffing.
 - b. A staffing with student, parents, student success coordinator, residential mentor, and teachers may be held and recommendations for remediation made. Parents may request a phone conference.
 - c. The student and parents will receive a letter summarizing the conference and action taken.
4. The following scenarios at the end of a semester will result in a student’s academic dismissal from ASMSA and return to their sending school by the Dean of Academic Affairs:
 - a. The student has not maintained a cumulative high school GPA of 3.25 or higher.
 - b. The student has earned two or more grades of “D” in any given semester or across the entirety of their ASMSA experience.
 - c. The student has earned one or more grades of “F.”
5. A written appeal may be made to the Director, within five (5) calendar days, whose decision shall be final.

- J. Schedule Changes – Drop/Add.** When dropping or adding a College credit course the changes must follow the guidelines at the university or college granting the credit. For ASMSA courses, a student may request to drop a course and add another course no later than one and one half (1½) weeks after the beginning of a course in the first semester and one (1) week after the beginning of

the second semester. The Dean of Academic Affairs will consider the request. If a student enrolls in a full year course, he/she will take the course both semesters and not be permitted to drop at the end of the first semester without permission from the Dean of Academic Affairs. The Dean of Academic Affairs has the authority to make final decisions in all class changes.

- K. Testing Overload.** Any student having three or more scheduled tests on the same day may request rescheduling of one test. The request form is available in the Academic Affairs Office. The student must complete the form and return it to the Academic Affairs Office no later than one class day prior to the scheduled tests. Rescheduling date and time shall be at the discretion of the instructor.
- L. Semester Exams.** Semester exam schedules are announced before the end of the first and second semesters. Semester exams will not be administered prior to finals week. In the Fall Semester, students must check out and go home no later than 24 hours after their last exam is administered. In the Spring Semester, students may stay and checkout as scheduled during Graduation Weekend. The Dean of Students must approve exceptions.
- M. Universal ACT for Juniors, College Entrance Exams and Advanced Placement.** The Office of Student Success coordinates administration of the testing for PSAT, SAT, ACT, Advanced Placement Tests, and state mandated exams on the dates specified each year by the College Entrance Examination Board, ACT, and the Arkansas Department of Education.
- N. Transcripts.**
1. Transcripts sent to colleges or to other organizations to which students apply are accompanied by the ASMSA School Profile, which includes the following information: grading scale, course descriptions, standardized test performance, and other pertinent information which will explain the specialized nature of the school and the courses listed on the transcript.
 2. Transcript request forms should be submitted to the Office of Student Success via Naviance. Requests require five (5) workdays to be processed by ASMSA. Transcripts are issued free of charge to the student.
- O. Academic Support and College Planning Services.**
1. ASMSA employs full-time Student Success Coordinators who assist students with academic/career planning and emotional well-being.
 2. The Student Success Coordinators assist students in course selection designed to meet ASMSA and state graduation requirements, as well as college entrance requirements. They provide testing information for the ACT and SAT and administer all AP exams, PSAT, State Standardized Testing, and college correspondence exams. The Student Success Coordinators also assist students with the college application process, scholarship applications, and summer programs such as Boys' State, Girls' State, and Governor's School. Letters of recommendation for students applying to any programs are supplied upon request. Student Success Coordinators conduct conferences with students experiencing academic difficulty.
- P. Education Information.** ASMSA adheres to the Family Educational Rights and Privacy Act of 1974. Custodial parents/legal guardians must provide the appropriate legal documentation concerning custody/guardianship for their student attending ASMSA at the beginning of the school year. Any changes should be immediately forwarded to the Dean of Students.
- Q. Student Success Program.** To assist students in meeting the demands of this special learning environment, ASMSA has developed the following Student Success Program:
1. **Parents/Legal Guardians.** Custodial Parents/Legal Guardians are integral parts of the educational process. They are expected to support ASMSA policies and to assist in carrying out recommendations from staff members regarding student progress. Parental insight and feedback are strongly encouraged and appreciated.
 2. **Teachers.** Students and parents are encouraged to call or email teachers any time they have questions. Teachers, likewise, are to contact parents if a student is experiencing difficulty. It is the student's responsibility to ask for assistance as needed.
 3. **Licensed Professional Counselor.** ASMSA offers short-term individual and group counseling to students when the need arises. Students see the school's licensed personal counselor to discuss a variety of concerns, such as time management difficulties, problems at home, anxiety, depression, and stress management. Parents/guardians or school staff may refer students for counseling, or students may request an appointment. Should it be determined by the licensed

personal counselor that more extensive services are necessary, the counselor will work with the family to arrange outside counseling or psychiatric services. In addition, the personal counseling staff offers wellness programs that help to educate students about mental health.

4. **Capstone Research Advisors.** Capstone Research Advisors are faculty members serving as mentors to student projects by overseeing the scientific process, supervising laboratory experiments, facilitating the completion of portfolios or other approved projects. Generally, students and advisors are paired according to field of study. Students who elect to pursue projects at off-campus research facilities choose an on-campus advisor to monitor the meeting of deadlines in the scientific process and written document.
5. **Department Chairs.** Teachers, advisors, and students are to notify the department chair when problems within a content area have not been resolved (see grievance procedure, page 6).
6. **Success Coordinators.** Members of the Office of Student Success assist students with their academic and emotional well-being.
7. **Residential Mentors.** Residential Mentors live on campus with the students and help facilitate students' social, emotional, and academic growth. RMs work closely with their students' Success Coordinator and parents to develop strategies for student success.
8. **Community Leaders.** Each floor will be assigned one or more CLs who are current seniors at ASMSA. CLs work with RMs as a resource for students. CLs are selected and trained for the following academic year.
9. **Administrators.** Students and parents should feel free to contact the appropriate administrator directly at any time regarding general topics/observations related to ASMSA. If a parent seeks to resolve a specific concern they are requested to follow the grievance procedure on page 6.

R. Re-Admission.

Students are invited to return for their junior or senior year by the following process:

1. Students seeking to return to ASMSA for their junior or senior year must file an Intent to Return Form in the Office of Academic Affairs by April 15.
2. The Dean of Academic Affairs will establish a Re-Admission Committee.
3. Custodial Parents/Legal Guardians will be notified by email or letter if their student must appear before the Re-Admission Committee.
4. The Re-Admission Committee will review all Intent to Return Forms and then accept recommendations from faculty and staff for students to be reviewed for re-admission based on the following criteria:
 - a. Non-compliance with the rules and other grounds of any nature that would be counter-productive to the mission of ASMSA;
 - b. Failure to maintain a minimum 2.50 GPA in ASMSA classes or other academic deficiencies;
 - c. Acts of insubordination, which would be detrimental to the health and safety of any member of the student body and/or of the physical plant.
 - d. Failure to complete work-service in any nine-week grading period.
 - e. Additional factors to be considered will be the ability to handle living away from home with limited supervision; willingness to avail oneself of the opportunities presented for personal/academic growth; acceptance of the common code of courtesy, respect, honesty, and integrity; handling one's emotional/adjustment problems; making good decisions; and sincere commitment to be an ASMSA community member who exemplifies the characteristics of the "exceptional student."
5. The Re-Admission Committee will determine which students to interview before a final decision is made. A student missing this interview on the designated date will be considered to have waived his/her right to the review, and any negative evaluations or recommendations as to his/her re-admission to ASMSA shall be sustained. A student may request that the interview be rescheduled due to a verifiable emergency as approved by the Dean of Academic Affairs.
6. The Re-Admission Committee will make a decision concerning the return of each student after the interview. Students and parents will be notified by mail of the committee's decision early in June.
7. Within seven (7) calendar days of receipt of the decision, a formal written appeal may be made to the Director. The Director's decision will be final.
8. Students not recommended for interview by the Re-Admission Committee will automatically be readmitted to ASMSA.
9. Sophomores or Juniors who must withdraw from ASMSA for medical reasons, yet who are in good academic and disciplinary standing at ASMSA at the time of the withdrawal, and who

maintain good academic and discipline records at the home school (if they return to the home school in the interim), may apply in writing to the Director no later than March 1 for re-admission as an entering sophomore or junior.

10. Any credits earned at another school during the interim of withdrawal from ASMSA will be subject to the same evaluation as all other transfer credit to ASMSA.
11. Sophomores, juniors or seniors who are withdrawn for academic reasons, who have withdrawn themselves for reasons other than medical, or who have been dismissed from ASMSA will not be considered for readmission.

T. State Testing. ACT and other state assessment scores will be reported to students' home schools.

U. ASMSA Library Research Center. The LRC is committed to providing information, supporting student development, and encouraging lifelong learning. Students have access to more than 10,000 volumes, including audio-visual materials with additional access to more than 150 academic databases through the Boreham Library at the University of Arkansas Fort Smith.

1. **Location.** The LRC is located on the 2nd floor of the Student Center. Hours TBD.
2. **Films/Materials.** Materials shall be appropriate for the subject area and for the age, emotional development, ability level, and social development of ASMSA students.
3. **Guidelines for Selection and Retention of LRC Material Philosophy.** The mission of the LRC is to provide a collection of materials to implement, enrich, and support the educational program of the school and to meet the individual educational, emotional, and recreational needs of students, faculty, and staff.
4. **Responsibility.** The librarian assumes final responsibility for the selection of materials in consultation with the Dean of Academic Affairs and the Director. Materials are chosen by the Head Librarian alone and in cooperation with faculty, staff, and students.
5. **Criteria for Selection.** Materials shall meet high standards of quality in physical or electronic format, as appropriate; treatment of subject; accuracy and currency of information; arrangement and organization; and literary style. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make intelligent judgments in their everyday lives. Materials will be selected in accordance with the missions and goals of the school.

V. Science Lab Use.

1. The science labs in the Administration Building will be open and will be used only during the academic week during the hours posted by the faculty. Students must be approved as "Safety Ready" before they can use the labs outside of class time.
2. Students may access the science labs after school hours or on the weekends only with the prior permission of their science teacher or Capstone advisor.

W. Art Studio Use.

1. The Art Studios will be open and will be used only during the academic week during the hours posted by the faculty. Students must be approved by the Art Faculty before they can use the Art Studio outside of class time.
2. Students may access the Art Studio after school hours or on the weekends only with the prior permission of their Art teacher or Capstone advisor.

X. Medical Withdrawal. If a student in their final semester at ASMSA is unable to continue participation in the residential experience due to an ongoing medical issue, the student may still receive a diploma from ASMSA so long as the student satisfies all state SMART Core graduation requirements. Such a request for medical withdrawal should be accompanied by paperwork from a physician articulating the condition as well as the student's inability to remain on campus. However, the student will not be permitted to participate in ASMSA's Commencement Exercises nor will be recognized as a graduate unless they have also previously satisfied all ASMSA graduation requirements by the end of the fall semester of their senior year.

The Dean of Academic Affairs and Dean of Students may recommend to the Director that a student be permitted to participate in Commencement Exercises based on previous academic performance,

commitment to the residential experience, and good character. The decision of the Director will be final in this case.

IV. ATTENDANCE POLICY

- A. General Information.** Students enrolled at ASMSA are expected to attend class and scheduled activities regularly, arrive punctually, and be alert and attentive while class is being conducted. Unless a student has a recognized class absence, they should be in attendance. Deviation from these expectations can result in disciplinary action. Attendance will be checked and recorded in each class and required activity. Students missing class for any reason will not be allowed to check out of the building or participate in extracurricular activities until they have cleared their absence with the teacher of every class they missed and the Dean of Students. An exception is allowed for a student to check out on the last day of the school week in order to go home.
- B. Attendance Program.** Class attendance is vital in the learning process. Student's classroom interactions are a crucial part of academic success.
1. A student who accumulates three (3) unexcused absences for any class in a semester will receive a warning letter from the Registrar. The Registrar will send a copy of the letter to the student's custodial parent(s)/ legal guardian.
 2. A student who accumulates six (6) unexcused absences from any class in a semester will receive a second warning letter from the Registrar, which will include campus checkout restrictions. The Registrar will send a copy of the letter to the student's custodial parent/legal guardian.
 3. A student who accumulates nine (9) unexcused absences from any class in a semester will be placed on Attendance Probation, which means loss of sign-out privileges, loss of attendance privileges at on-campus and off-campus extracurricular activities/events, and referral to the Readmission Committee. The registrar will send notice of Attendance Probation to the student's custodial parent/legal; guardian.
- C. Class Absences.** A class absence shall be defined as follows:
1. **Personal Illness of a Student.**
 - a. The School Nurse and/or the Licensed Professional Counselor will determine whether a student missing class due to illness or injury qualifies (includes emotional and psychological issues) for a class absence. Students missing class for personal illness who do not check in with the nurse may face disciplinary action.
 - b. **Students are required to come to the nurse's office or the licensed professional counselor at least 15 minutes before the start of class for illness. This allows time for the nurse/counselor to assess the illness/concern before the start of class and determine if a class absence can be given. Going to the nurse's or counselor's office does not automatically allow a student to miss class. The nurse/counselor must substantiate the seriousness of the illness/concern. Students with minor ailments will be treated and allowed to go to class.**
 - c. If the student is too ill to report to the office, they may call the nurse/counselor to come to their room.
 - d. Students missing from one or more classes because of illness determined by the nurse:
 - 1) If a student misses one morning class but attends the rest of the scheduled day classes they are still allowed to participate in on-campus extracurricular activities.
 - 2) If the students check out card is on the 'sick list' clipboard then they are not allowed to leave campus for any reason other than doctors' appointments or parents pick up.
 - 3) A student who misses the last class of the day is not allowed to participate in any extracurricular activities and must remain on their floor for the rest of the evening.
 - 4) If a student misses two or more classes during a school day they are not allowed to participate in any extracurricular activities and must remain on their floors for the remainder of the night. **If the student violates these restrictions, the student may be assigned disciplinary consequences for missing class.**
 - e. Meals will be delivered to ill students when needed.
 - f. Students may be extended a temporary leave from school for medical reasons. Under certain circumstances, in order to safeguard the student body as a whole, a student will be required to return home and be allowed to return to ASMSA only when their illness/condition has been evaluated by a physician and/or deemed no longer communicable, infective, contagious or dangerous. Examples include, but **are not limited to**, mononucleosis, chicken pox, measles,

mumps, certain types of strep, head lice, scabies, influenza, fungal infections, pink eye or acute mental illness, like depression. ASMSA and school nurse will comply with state laws pertaining to the management and mandatory reporting of communicable diseases/conditions. The school nurse will follow evidence-based practice guidelines and recommendations from School Health: Policy and Practice, Arkansas School Health Services Manual, Clinical Guidelines for School Nurses and/or school policies and procedures in the assessment and management of student conditions. In the event a condition poses increased risk of transmission to other student(s), those students and parents/legal guardians will be notified by the school nurse or designated staff as necessary.

- g. When a student suffers from a chronic illness, which causes absences for nine (9) or more class days, the staff may recommend that they be removed from ASMSA and returned to their home school.
- h. In cases of extended or chronic illness or where question of illness may arise, the Dean of Academic Affairs may require verification of an illness by a physician.
- i. The school nurse will not issue a class absence after a class has been missed. As the medical expert on staff and the person most acquainted with the student's immediate condition, the school nurse's decision pursuant to declaring a class absence due to illness or injury shall be final. In cases of extreme emotional distress, the students' Success Coordinator or the school's licensed professional counselor may declare a class absence, at which time the previously stated restrictions apply. In the case of evening classes, it is the responsibility of the student to see a Residential Life Staff member on duty prior to missing the class due to illness.
2. **Medical / Dental Appointment.** Custodial Parents/legal guardians should schedule medical or dental appointments outside of school hours. When this is not possible, the appointment should be scheduled so that the student will not miss the same class(es) repeatedly. For medical/dental appointments an Anticipated Absence Form must be completed in advance.
3. **Death or Serious Illness in the Immediate or Extended Family.**
4. **Official School Sponsored Activities.** Prior to being excused from any class in order to attend an official school sponsored activity (except field trips), a student must complete an Anticipated Absence Form. These forms are available in the Office of Academic Affairs, on the ASMSA website, and at the RLO. The Dean of Academic Affairs or their designee will review and approve or disapprove all student requests prior to a student missing any class.
5. **Field Trips.** Field trip arrangements should be made by the sponsoring staff member. Students who sign up for field trips/events and cannot attend must notify the sponsoring staff member, the Dean of Academic Affairs, and the Dean of Students in advance.
6. **Court Appearances.** The Dean of Academic Affairs may require verification from the court of the appearance.
7. **Religious Observances.** Requests for excused absences for religious observances must be made by the custodial parents/legal guardian at the start of the school year on the General Permission Form. The Dean of Academic Affairs will make the final decision.
8. **College Days.** At the discretion of the Dean of Academic Affairs, up to two (2) class days per year may be used for college days. Seniors who receive invitations for mandatory scholarship interviews may be permitted additional class absences at the discretion of the Dean of Academic Affairs if:
 - a. Written documentation is provided to the Dean of Academic Affairs by the institution, including the date/time/location which is mandated by the issuing institution and
 - b. An Anticipated Absence Form is filed as soon as possible following receipt of the invitation.
9. **Anticipated Absence.** Requests for class absence for any reason not listed above are made by completing an Anticipated Absence Form. These forms are available in the Office of Academic Affairs. The form must be completed and returned to the Academic Affairs Secretary at least three (3) school days before absence. Students participating in activities that lead to absences on many different days may complete a Blanket Anticipated Absence Form for that activity. The Dean of Academic Affairs or their designee will review and approve or disapprove requests prior to a student missing any class.

D. Tardiness Policy.

1. A student who arrives less than 15 minutes late to class may receive a tardy. Tardies accumulate over the entire semester and for all classes.

2. A student who receives a total of three (3) tardies in a semester will receive a warning letter from the Registrar. The Registrar will send a copy to the student's custodial parent(s)/legal guardian. If a fifth tardy happens in a semester, the Dean of Academic Affairs shall place the student on an attendance contract.
3. After a student has been placed on an attendance contract, **each** tardy will be treated as a Level 2 violation (Failure to Meet Reasonable Directive – Repeat Offense of Same Directive).

E. Other Absences.

1. Missing class for any reason not covered in the definition of course absences may result in disciplinary action.
2. A student who is more than fifteen minutes late to a class will be counted as missing that class. If this event has not been previously designated as a class absence the student may face disciplinary action.
3. The school will notify the Department of Finance and Administration whenever a student 14 years of age or older is no longer enrolled at ASMSA and the Department of Finance and Administration will suspend the student's learner's permit or driver's license until the student is enrolled in another school.

F. Incomplete Work.

1. With advance notification to the Dean of Academic Affairs and valid documentation (doctor's excuse, etc.), a grade of 'incomplete' may be given to a student when the student is excused for:
 - a. an extended illness during a grading period;
 - b. a family emergency during a grading period that required an extended absence; or
 - c. a short-term illness or family emergency immediately preceding the end of a grading period.
2. All incomplete grades must be removed by the end of the following reporting period. Incomplete grades given for the second semester must be made up within fourteen (14) calendar days after the last day of school. Seniors who finish incomplete work within 14 days after the final semester will be granted a diploma but will not be allowed to walk at graduation. If the work is not completed during the specified time, a zero (0) will be assigned for the missing work, and the teacher must determine the final grade for the reporting period. The responsibility for initiating arrangements for make-up work lies totally with the student. Exceptions to this policy will be made only with the approval of the Dean of Academic Affairs.

G. Make-Up Work Due to Class Absences. A student granted a class absence by the Dean of Academic Affairs or by the Nurse will be permitted to make up major tests and major assignments. The student must make arrangements with the teacher(s) on the first day the student returns to class to complete the work. The time allotted for make-up equals the number of days (not class periods) missed.

H. Suspension Grading Policy. Students suspended from school will be given the opportunity to complete assignments missed. If a major project or paper is due during the time of suspension, the student must still turn the paper in on time in order to get full credit (this can be by email, fax, etc.). Students should contact their teachers and schedule a way to complete all work missed during their suspension. Because of the one-time nature of science fair participation, students who miss competing in the ASMSA science fair due to suspension cannot make-up these activities and will receive a zero (0) for the participation and judging grades for science fair, research symposium, and junior academy.

I. Attendance at Assemblies and Special Events.

1. Students shall attend cultural or instructional functions as determined by the Dean of Academic Affairs or by the Dean of Students. Attendance at assemblies, Honors Convocation, and similar events is **mandatory**. Failure to attend an assembly is a Level 2 violation.

J. ASMSA Seniors at Home School Proms and Graduation. Seniors may participate in their home school prom and graduation if these activities do not interfere with the ASMSA academic program. If any academic time will be missed, an Anticipated Absence Form must be completed and approved by the Dean of Academic Affairs no less than two (2) full weeks prior to the home school event.

K. ASMSA Graduation

Seniors in good standing are required to participate in ASMSA graduation unless they receive approval from the Director.

A. The Residential Life Staff.

1. **Dean of Students.** The Dean of Students is responsible for Student Life, including supervising the Residence Life staff and the day to day operations of the Student Center (housing, health center, food services, safety), recreational and wellness programs, and student discipline.
2. **Assistant Dean of Residential Life (AD).** The Assistant Dean of Residential Life is responsible for the evening operations of the Student Center and operations during Summer Conferences. The AD lives on campus and has an office on the first floor of the Student Center.
3. **Residential Mentors (RMs).** Residential Mentors are college graduates who live on the floors with the students. The RM serves as a mentor, educational and social programmer, disciplinarian, and by word and deed, teaches students responsible behavior.
4. **Residential Experience Coordinator (RECs).** Residential Experience Coordinators are Master's level professional staff who live on the floors with the students. The REC also serves as a mentor, Social Emotional Learning educator who teaches students responsible behavior.
5. **Community Leaders.** CLs are seniors chosen for demonstrated leadership abilities, commitment to ASMSA and overall maturity. They assist the Residential Life Staff. Each floor has at least one CL to serve as floor leader, to help plan activities and to serve as liaison between students and RECs. Do not hesitate to contact any CL for help or information.

B. Entering ASMSA.

1. In-Processing.

- a. **Assessments and Documents.** Prior to moving into the Student Center, all students and their custodial parents/legal guardian must provide the following:
 - i. **Pay All Assessments.** Checks, cashier's checks or money orders should be made payable to ASMSA and returned along with all forms to the Secretary to the Dean of Students by July 15th. **Any checks returned to ASMSA will be assessed a \$25.00 fee to cover bank charges to the school.**
 - ii. **Forms.** Students will complete and submit all forms in Blackbaud.
 - iii. **Legal Papers.** Custodial Parent/Legal Guardians will provide to the Dean of Students (through Blackbaud) copies of all applicable court papers establishing legal custody or guardianship of the student.
- b. **Notification.** By mid-July each student will receive a letter from the Dean of Students and email from the Assistant Dean of Residence Life with the following information:
 - i. What date and time the student should plan to arrive at ASMSA to move in.
 - ii. The roommate's name and contact information.
 - iii. What forms, documents or assessments the student still owes.
 - iv. Any missing immunization records.

Generally, students who have returned all forms, documents, and assessments on time will be allowed to report directly to the Student Center to move in. Students who still owe any money or forms will be required to in-process on arrival day.

2. Moving In.

- a. **Finish In-Processing.** Students cannot move in until they have completed in-processing.

- b. **Proceed to the assigned floor and meet the RECs/RM and CLs.** Room assignments will be made by the AD and sent to all students during mid-July.
- c. **Receive room assignment and check the room condition.** Students and parents are to take the time to look over the Room Condition Report (RCR) and to note any discrepancies before any items are moved into the room, being sure to sign the back and return it to the REC/RM. The RCR is used at the end of the year in establishing room damage charges.
- d. **Receive room and mailbox keys from student's RM.** Students will receive a room and mailbox key along with the RCR. Costs to replace these are \$10 and \$5 respectively.

C. Residential Living.

1. Student Rooms.

- a. **Roommate Selection and Choice.** New students are assigned rooms based on information provided on roommate preference survey. Roommates are matched according to similar interests, lifestyles and personal requests. Students may request roommate preferences in writing on the website survey to the AD. Returning students will make their requests during the previous spring term.
- b. **Room Assignments.**
 - i. Room selections for the junior (students admitted as sophomores) and senior year are made during May. The rules for room selection stated below are used to establish precedence for choosing rooms (see C.1.f.)
 - ii. The AD assigns rooms for entering sophomores and juniors and will notify them of their tentative room and roommate during the summer. Final assignments will be made by August.
- c. **Students Who Lose a Roommate.** Students who are left without roommates will first be consolidated with others from their same class who have lost roommates or they may choose to consolidate with any available student. Only in cases where there are odd numbers will a student be in a room by themselves, and only until the next opportunity to consolidate.
- d. **Room Changes.**
 - i. Students are to move only when the room change is approved by the Assistant Dean of Residence Life.

 - iii. Rooms will only be assigned using the “Rules for Room Selection” criteria (see C.1.f.).
 - iv. Students are responsible for obtaining the proper forms and finding a roommate.

If they do not find a roommate, one may be assigned.
- e. **Conflict Resolution Procedures.**
 - i. Whenever students room together, they are required to have a roommate agreement posted on their door. If a conflict arises, this is the first step students must take to work out their problems, and it may be rewritten several times before the AD intervenes to separate students.
 - ii. Mediation: Mediation is available at several levels from informal peer mediation to more formal, staff involved mediation. Students should follow these in order:

- a. Peer Mediation: Students may contact a CL and have them mediate between the conflicting parties.
 - b. Staff Mediation: Students or parents may request the presence of a Residential Experience Coordinator/Residential Mentor to mediate roommate conflicts. Students or parents may also request the AD mediate a roommate conflict, but only after a Residential Experience Coordinator/Residential Mentor has tried to solve the problem.
 - c. Only as a last resort will roommates be separated due to conflict. Both roommates may be required to vacate the room, if possible.
- f. **Rules for Room Selection.**
- i. The AD will use a point system to establish the order of merit for room selections. Lower scores rank above higher scores in the order of merit; in other words, a student with four (4) points gets first choice over a student with five (5) points. **Weighted GPA's will not be considered in the selection process.** Points are calculated according to the following factors:
 - a. One (1) point is assigned for each demerit accrued during the current academic year.
 - b. One (1) point is assigned for each unsatisfactory work-service report accrued during the current academic year.
 - c. Points are assigned for the student's cumulative GPA **based on the 1st, 2nd, & 3rd nine weeks** on the following scale:
 - 3.500 – 4.000 = 1 point
 - 3.000 – 3.499 = 2 points
 - 2.500 – 2.999 = 3 points
 - 2.000 – 2.499 = 4 points
 - Less than 2.000 = 5 points
 - d. A student who wishes to move to a different floor from the floor where they currently live will receive one (1) point.
 - ii. In case of a tie for establishing the order of merit, the following criteria will be used in sequence to break the tie:
 - a. The third nine weeks grading period.
 - b. Coin toss.
- g. **Keys.**

All keys are the property of ASMSA and are assigned to a specific student for their use. The assigned key is authorized only to that student and is not to be lent out.

- i. **Students should lock their room door every time the room is not occupied.** They are to keep their keys with them at all times. If the key is lost, the students must inform their REC/RM or the staff member on duty in the Residential Life Office immediately. Students are responsible for paying the \$10 cost for the replacement room key. The student will pay the Receptionist in the Academic Building and the receipt will be brought to the AD.
- ii. Loss of mail box key is a \$5 replacement cost. The student will pay the Receptionist in the Academic Building and the receipt will be brought to the Dean of Students' Secretary.

Students must receive permission from their parents in order to apply for privileges. The student meeting the criteria must re-apply each nine - weeks for student privileges. The Student Success Coordinator will facilitate a conversation with parents regarding the student's circumstances and evaluate whether continued enrollment at ASMSA is academically, socially and emotionally beneficial. If the Student Success Coordinator and parents or guardians believe the student should remain at ASMSA, the Dean of Academics will host a staffing of relevant academic and residential stakeholders to assist the student in developing a success plan for moving forward. Should all parties conclude enrollment at ASMSA is no longer productive, the Student Success Coordinator will initiate the withdrawal procedure, including a signed parental consent in order to withdraw. Once the withdrawal procedures

have been completed, students are required to leave the ASMSA campus by 7:00 p.m. on the effective date of the withdrawal. A grace period of no longer than five (5) class days may be offered in which students will have the opportunity to re-enroll.

 - f. **Check out with the RLO and turn ID badge into the Security Office when leaving campus.**

IV. HEALTH SERVICES / MEDICAL

A. Medical Care

- 1) **Purpose.** The Nurse's Office is located on the first floor of the Student Center. It is staffed from 7:30 a.m. – 4:00 p.m. Monday through Friday, by a registered nurse who offers treatment and coordinates appointments with local doctors upon the student or parent's request. The nurse can also coordinate trips to get prescriptions filled at local pharmacies as needed by students after doctor visits. The student and his/her family are financially responsible for costs incurred by these appointments and for all financial obligations incurred by the student in physical and mental health-related situations.
- 2) **Required Information for Medical Chart of Each Student:**
 - a) **The ASMSA Health Information/Medical Treatment Form.** This form is very important because it authorizes a doctor or hospital to provide treatment for both non-emergency and emergency situations when the parent or legal guardian is unable to be with the student.
 - b) **Record of Up-to-Date Immunizations.**
- 3) **Record of a Recent Physical Exam.** A physical exam administered by the student's family physician must be on file within the year of admission. Students participating in sports must have a current (within the last year) physical on file.
- 4) **What to Do When Ill.** Students should report to the Nurse's Office in the event that they become ill during the school day. (see attendance policy).
If a student misses ONE morning class but attends the rest of the scheduled day classes they are still allowed to participate in ON-CAMPUS extracurricular activities. If the check-out card is on the 'sick list' clipboard, then they are NOT allowed to leave campus for any reason other than doctors' appointments or parents pick up.

A student who misses the last class of the day is NOT allowed to participate in any extracurricular activities and MUST REMAIN on their floor for the rest of the evening.

If a student misses TWO or more classes during a school day they are NOT allowed to participate in any extracurricular activities and MUST REMAIN on their floors for the remainder of the night, unless cleared by the nurse. **If a student becomes ill after 4:00 p.m. on weekdays or during the weekend, they should report to the Residential Life Staff member on duty.** The Nurse performs first aid services and health care counseling; however, they are NOT prepared to act as a student's physician in the event of serious illness or emergencies.

- 5) **Medical Appointments.**
 - a) **Scheduling.** The Nurse will assist parents in scheduling medical appointments in the Hot Springs area as needed. Parents may request a specific physician in the Hot Springs area. Parents may schedule appointments with physicians of their choice out of town. Before a student is taken to the doctor an attempt will be made to reach their custodial parent or legal guardian. If requested doctor is unable to see the student, the nurse will attempt to contact the custodial parent/legal guardian. If she is unable to reach the custodial parent/legal guardian, she will refer the student to another in-town physician / or walk- in clinic. Student is responsible for calling parents when returning from the doctor's visit to inform them of the results of the visit; however, the custodial parent/legal guardian may call the nurse at any time during office hours concerning the doctor's visit.
 - 1) **Student's should have a local physician on file at ASMSA and parents should have completed any necessary paperwork and initial visits before move-in day.**
 - 2) **Parents are responsible for making doctor's visit co-pay and prescription co-pay arrangements with their child before ASMSA is in session (i.e. cash, check, charge/credit card, health card, prescription card or debit card).**
 - 3) **Parents are responsible for all medical costs and will assume all financial obligations incurred by the student's health related situations. ASMSA assumes no responsibility for student medical expenses. Parents are encouraged to provide medical insurance for their child. Routine doctor and dental visits and surgical procedures should be scheduled when students are at home for the holidays or breaks to prevent disruption of academic courses. ASMSA will not be responsible for providing transportation outside the Hot Springs area. In case of financial**

hardship, parents may seek state assistance for medical care/insurance for their child. Two resources are the Children's Health Insurance Program or CHIP at 1-877-KIDSNOW or www.coveringkids.org and the Department of Health and Human Services at www.insurekidsnow.gov.

- b) **Emergency Room.** An ASMSA official will contact the custodial parent/legal guardian of any student taken to the emergency room as quickly as possible. In the event that a student is transported to the Emergency Room at one of the local resident hospitals, the on-duty Senior Staff member will call the student's custodial parent/legal guardian to require a parent/guardian, family member, or representative to meet the student at the Emergency Room if needed. Once the parent, family member or representative arrives at the Emergency Room the RM is required to return to campus in order to be ready to transport additional students/residents as needed.
 - c) **Transportation.** Students are allowed to drive themselves to or from medical appointments. Staff members will drive students to emergency medical walk- ins in Hot Springs. Parents are responsible for arranging transportation outside Hot Springs.
 - d) **Doctor's Release/Excuse.** **If a student misses three or more days of school due to illness, a physician's release will be required to check back into the building. The student will not be allowed to check in without their doctor's release.** This requirement is to protect the other students from contracting an illness and to ensure that the time away from school is covered as an "excused medical illness." If the student returns to school without the required documentation, the custodial parent/legal guardian will be notified and the custodial parent/legal guardian will need to make arrangements for the student to stay off campus until the doctor's release is obtained. You may fax doctor's releases to Dean of Students at 501-622-5405 or the Nurse's Office at 501-622-5462.
- 6) **Medication.**
- Parents must notify the school nurse in writing of their student's prescription and over the counter medications. Parents must regularly update this information. Failure to notify the school of a change to the approved medications a student may possess could result in disciplinary action. IMPORTANT: PRESCRIPTION MEDICATIONS FOR ATTENTION ISSUES, PSYCHOTROPIC MEDICATIONS (FOR DEPRESSION, ANXIETY, BIPOLAR DISORDER, ETC.) AND PAIN KILLERS MUST BY LAW BE UNDER LOCK AND KEY AND ONLY ADMINISTERED BY THE NURSE OR TRAINED STAFF.**
- a) **All prescription medication must be on record in the Nurse's Office.** Most prescription medication will be kept in the Nurse's Office. Students may obtain medication from the Nurse on an as-needed basis. When the Nurse is off campus, designated staff may access the Nurse's office for the purpose of administering medication to students. The Nurse will maintain a log of all medication and dosage given to students. Prescription medications are not to be transferred between students. Improper use of prescription or non-prescription drugs is a Level 5 violation.
 - b) All medications must be in an original **blister pack or blister card, or bottle** (if your pharmacy is not able to do blister packs), labeled by the pharmacy or the manufacturer with drug name, dosage, frequency of administration, date of issue, and prescribing physician.
 - c) In accordance with state law, students will not be allowed to self-medicate narcotics/controlled prescription drugs. However, with **prior** approval from the ASMSA nurse and the written permission of the parents, certain prescription medications (such as acne or birth control medications) and some over-the-counter medications may be kept in the student's possession and room for the student to self-administer unsupervised.
 - d) Allergy shots are not administered on campus but will be coordinated at a local clinic if students cannot have this done while they are at home.
 - e) Insulin/Diabetic procedures will be followed and reported by the individual students as instructed by their Primary Care Physician/Arkansas Children's Hospital.
- 7) **Mental Health Evaluation.** In the event a student commits an assault/battery against a member of the ASMSA community, or attempts physical harm to themselves or threatens or attempts suicide, or by agreement of the Dean of Academic Affairs and the Dean of Students or the on staff licensed mental health professional with concurrence of the Director, then ASMSA shall have the right to require the student to submit to a formal mental health evaluation by a licensed mental health

professional. The evaluation may be conducted by the licensed mental health professional off campus. If the evaluation is conducted off campus this will be at the expense of the parent/guardian. The student will not be allowed to return or remain on the ASMSA campus until the evaluation is complete and the student is complying with the recommendations of the mental health professional. The student will not be allowed to drive themselves home without the written consent of the parent. Unless the situation also carries a disciplinary sanction of suspension, the student's absence will be excused as a medical absence. Prior to returning to the ASMSA campus, arrangements must be made for the student to comply strictly with the recommendations of the mental health professional. The students must also provide ASMSA with a written review by the mental health professional concerning the student's safety and the safety of others.

- 8) **Medical Recommendation for Dismissal.** In the event of suicide attempts/mental incapacity, by agreement of the License Professional Counselor, Dean of Academic Affairs and the Dean of Students with concurrence of the Director, ASMSA shall have the right to require the student to leave the ASMSA campus with a recommendation for dismissal.

- 9) **New State Required Immunizations.**

Students will not be allowed to check in on campus without proof of their Immunization Records. Students must be up-to-date (or working on getting up-to-date) by October 1st. to meet state requirements for public and private schools.

1. **4 DTP, DTaP, DT, Td or Tdap.** One dose must have been ***on or after*** the 4th birthday.
2. **Tdap Booster** - Must also have one between age 11 and 12th grade.
3. **3 POLIO Doses** - one dose must have been on or after the 4th birthday.

7. **Meningococcal (MCV4)** –
At age 16, regardless of grade:
If had one dose, get 2nd dose.
If no previous dose and age 16 by 9/1, get the dose.
No 2nd dose required.
8. **Recommended Immunizations:** The Department of Health strongly recommends the following vaccines as well: **Seasonal Flu Vaccine**

- 10). **Hygiene**

Students are expected to maintain good hygienic practices while attending ASMSA. ASMSA good hygienic practices recommendations include daily bathing or showering, daily teeth brushing, keeping clothing and bedding clean and laundered. ASMSA requires students to have roommates and good hygiene practices promote a healthy environment and improved community living.

In the event that a student has hygiene supply needs (shampoo, toothpaste, toothbrush, etc.) they can visit the Nurse's Office to see if samples are available. If students have clothing needs, "The Closet" on ASMSA campus is open weekly and is available for all students. If you have additional clothing needs or donations, you can see the school nurse.

V. DISCIPLINARY CODE

A. General Information.

1. The ASMSA Disciplinary Code follows the guidelines established by Act 968 of 1995 by the Arkansas Legislature. It contains guidelines for behavior, examples of inappropriate conduct, and courses of action that school officials use to discipline students who behave in inappropriate/disruptive ways.
2. This handbook does not exclude or limit the administration's authority to make rules for governing operations of the school or usurp the authority of other staff members to make such rules as are necessary for their respective areas of responsibility. School officials will determine what constitutes a violation of school policy as outlined by the ASMSA Handbook.
3. The Dean of Academic Affairs normally handles all incidents of academic dishonesty, misuse of school-owned computer equipment, and violations of the Disciplinary Code during organized academic activities, such as classes, labs, academic field trips, etc. The Dean of Students normally handles all other violations, including those related to personal computers. Disciplinary action may be taken for any behavior deemed disruptive to the educational process.
4. Student misconduct may result in restriction, probation, suspension, or dismissal. Act 888 requires certain violations be reported to law enforcement agencies.
5. Where possible, the Dean of Students will employ restorative practices in deciding sanctions.
6. The school reserves the right to pursue disciplinary action or legal action for student behavior while under the jurisdiction of ASMSA, on or off campus, which is subversive to good order and discipline in the school, even though the behavior is not specified in the following written rules. A student who continues to misbehave will be recommended for dismissal. Parents are expected to support and cooperate with school efforts.
7. Parents of students who have repeated violations may consider returning the student to their home school before dismissal is recommended. A student dismissed from ASMSA may be subject to not being re-admitted to their home school. **Students who have been dismissed from ASMSA or who withdrew under a recommendation for dismissal will not be readmitted and may not visit ASMSA under any circumstances.**

B. Complicity.

Any student who aides another in the actions that violate ASMSA policy, assists in the concealment of conduct that constitutes a policy violation, encourages others to violate policy, or fails to remove themselves from a situation where an ASMSA policy violation is occurring, can be considered complicit, which may result in that student being documented for violating the ASMSA policy that occurred. The student may additionally be sanctioned in accordance to the policy being violated.

Students should take an active role in disengaging themselves from violations of ASMSA policy, and are expected to do one or more of the following:

- a) Personally, confront the individuals involved and stop the violation;
- b) Alert a staff member of the violation; or
- c) Leave the scene of the violation.

C. Privacy, Search and Seizure.

1. **Introduction.** When there is reasonable suspicion that a violation of school policy or criminal law is occurring or has occurred, a search of a student's person or property (including vehicles, book bags, purse, personal computer, cell phones, Student Center room, etc.) may be authorized by the Dean of Students or their designee. The following guidelines are intended to protect the rights of students.
2. **Types of Searches.**
 - a) **Room Searches.** The use of a passkey by ASMSA personnel for normal non-emergency conditions such as bed checks (student accountability at curfews), maintenance, and room inspections, or in cases involving the immediate safety of occupants is not considered to be a search. In cases involving an authorized search of the student's room, two adult witnesses will be present, and the student(s) will be present, if possible. Those conducting the search will first knock on the door of the room and identify themselves. If not immediately admitted, they may use a passkey to gain entry. The staff member entering

the room will announce the purpose of the visit and indicate that proper authorization to conduct a room search has been obtained.

- b) **Searches by Dogs.** ASMSA has access to a registered canine unit with dogs specially trained to locate illegal drugs. Periodic, unannounced visits by the drug dog and its handler may be made. If a drug dog indicates the possible presence of drugs in a room, vehicle, etc., this is considered reasonable suspicion to conduct a search of that area. All rooms, vehicles, etc. so indicated by a drug dog will be searched without exception. All areas of the campus may be searched. Students will be held responsible for any prohibited items found in their rooms, cars, or belongings at school. If prohibited items are found, the violator(s) will be disciplined according to the ASMSA Disciplinary Code and may be prosecuted under local, state, or federal laws.
- c) **Personal Searches.** An adult witness shall be present when a personal search is conducted. A school official of the same sex shall do a pat down of a student's person.
- d) **Backpacks, Book bags, and Other Personal Items.** Students' backpacks, book bags, purses, briefcases, etc. and any bags, parcels or packages are subject to search by ASMSA.
- e) **Metal Detectors.** Students are subject to a sweep search by metal detector.
- f) **Alcohol and Drug Testing.**
 - 1) Students are subject to testing for drug or alcohol use.
 - 2) Students who are suspected of drug use will be tested by a third party of the school's choosing. Results of this test will determine further action on the part of the school. Being in the presence of suspected drug or alcohol use will be reason enough for the school to require testing of that student.
 - 3) Students who participate in interscholastic athletics or competitions through Hot Springs High School are subject to the Hot Springs School District's random drug testing.
- g) **Contraband and Confiscated Items.**
 - 1) **Contraband.** When contraband is found, the item(s) are confiscated and will be turned over to a law enforcement officer, to the Dean of Students, Security, or to the Dean of Academic Affairs. A report will be filed with the appropriate school official within 24 hours.
 - 2) **Confiscated Items.** If a student's personal property must be confiscated, a written receipt (Confiscated Items form) for returnable items is given to the student. A report will be filed with the appropriate school official within 24 hours.
- h) **Law Enforcement and Parental Notification.**
 - 1) Law enforcement officials wishing to contact students at ASMSA for any reason should be directed to the Dean of Students during the school week and to the Security Officer on duty on weekends. The Security Officer will contact the Residential Life Supervisor-On-Call upon law enforcement arrival.
 - 2) When law enforcement officers present duly authorized warrants which justify a search, they will be allowed to search a student's room. An ASMSA official should escort the officer(s).
 - 3) ASMSA will notify the student's custodial parent/legal guardian whenever any ASMSA official makes a report to any law enforcement agency concerning student misconduct; grants law enforcement personnel other than the school's Academic or Student Deans acting in the normal course and scope of his or her assigned duties access to a student; or knows that a student has been taken into custody by law enforcement personnel during the school day or while under school supervision. The Dean of Students will normally make notification.

D. Disciplinary Action.

1. **Notification of Disciplinary Action.**
 - a. Students will receive written notification of any disciplinary action (normally an incident report.)
 - b. The student will have the opportunity to respond to the incident report either orally or in writing.
 - c. The student is required to sign the incident report when presented by a staff member.
Signing the report does not indicate that the student agrees with the report or is admitting to the incident, only that the student has read the report.
 - d. A copy of any report for which the student has received demerits will be sent to the custodial parent/legal guardian.
2. **Assignment of Demerits and Disciplinary Action.**
 - a. Demerits will be assigned to the student according to the ASMSA Disciplinary Action Table. The number of demerits on the student's disciplinary record determines the disciplinary action taken. The Dean of Students or their designee assigns demerits and administers disciplinary action. The Dean of Students may also assign work service or other restrictions as punishment.
 - b. Accumulation of demerits results in suspension from ASMSA as follows:

- 1) Suspension for 3-5 class days for 30 demerits accumulated through repeated Level 1 and Level 2 violations or for a first Level 3 violation.
- 2) Suspension for 5- 9 class days for an accumulated 75 demerits or a first Level 4 violation, or any combination of Level 1, 2, and 3 violations.
- c. Accumulation of one hundred (100) demerits or commission of an eleventh Level 1 violation, a fifth Level 2 violation, a third Level 3 violation, a second Level 4 violation, or any Level 5 violation results in suspension from ASMSA for ten (10) class days and a recommendation for dismissal from ASMSA.
- d. Demerits will not be carried over from one academic year to the next.
3. **Removal of Demerits.** Students may remove up to ten (10) demerits per year from their disciplinary record by performing extra work service or volunteering with non-profits in the community. Demerits are removed at the rate of one (1) demerit for every two (2) hours of work service performed beyond the regularly required two hours per week. Students must first request permission from the Dean of Students. The extra service must be performed within 30 calendar days of the assignment of the demerits. Students may not use required study time to perform extra service. **Required academic activities and work service always take precedence over extra service.** The following exceptions apply:
 - a) Students may not perform extra service in lieu of restriction or suspension.
 - b) A student suspended may not remove demerits until the suspension is complete.
4. **Re-admission as a Senior.** A junior with 50 or more demerits or who has committed any Level 3, 4, or 5 violation, or any violation of the ASMSA Honor Code on their record, will automatically be referred to the Re-Admission Committee for consideration to return for the senior year.
5. **Disciplinary Action Table.**

E. Suspension and Dismissal.

1. **Suspension.** Suspension is defined as dismissing a student from school for any time period not exceeding ten (10) class days. During suspension the student is not permitted to be present on the ASMSA campus or participate in any ASMSA sponsored activities. The student may not visit ASMSA on non-class days occurring between the beginning and end of the suspension period. **The student may not return to ASMSA until 4:00 p.m. on the last class day of the suspension.** See Chapter IV, Section H (Suspension Grading Policy) concerning make up work during suspension. Authority to suspend a student normally rests with the Dean of Students. In the event of the Dean's absence, authority to suspend rests with the Dean of Academic Affairs or their designee. The procedure for suspending a student is as follows:
 - a. The Dean shall advise the student of the alleged misconduct and the basis for the accusation.
 - b. The student will be allowed to explain their side of the issue to the Dean.
 - c. Within a reasonable period of time (normally twenty-four hours) of completing the investigation, the Dean shall decide whether to suspend the student. If the decision is made to suspend, the suspension will begin within twenty-four hours of the decision.
 - d. The Dean will give written notification of the suspension to the student and their custodial parent/legal guardian. The notification will state the reason for the suspension and the beginning and ending dates and times of the suspension.
 - e. Upon notification, the custodial parent/legal guardian shall arrange to transport the student home at the time designated by the Dean (normally within 24 hours.)
 - f. The student and custodial parent/legal guardian may appeal to the Director to have the suspension reduced or stopped. The Director's decision is final.
2. **Dismissal.** Dismissal is defined as dismissing a student permanently from ASMSA. **Students who have been dismissed from ASMSA will not be readmitted.** Authority to dismiss a student rests with the Director. The Dean shall recommend a student for dismissal upon the student's first Level 5 violation or upon accumulation of 100 demerits. The procedure for dismissal is as follows:
 - a. **Process for Dismissal.**
 - 1) The Dean shall advise the student of the alleged misconduct and the basis for the accusation.
 - 2) The student will be allowed to explain their side of the issue to the Dean.
 - 3) Within a reasonable period of time (normally twenty-four hours) of completing the investigation, the Dean shall decide whether to recommend the student for dismissal. If the decision is made to recommend the student for dismissal, the student will be suspended for ten (10) class days beginning within twenty-four (24) hours of the decision.
 - 4) The Dean will give written notification of the suspension to the student and their custodial parent/legal guardian. The notification will state the reason for the suspension and the beginning and ending dates and times of the suspension.
 - 5) Upon notification, the custodial parent/legal guardian shall arrange to transport the student home at the time designated by the Dean (normally within 24 hours.)
 - b. **Dismissal Hearing**
 - 1) No earlier than the 6th class day and no later than the 10th class day of the suspension, the Disciplinary Review Committee (DRC) will convene a hearing to review the Dean's recommendation for dismissal. The purpose of the hearing is for the DRC to make a recommendation to the Director. The DRC consists of three members, one from the faculty, one from student life and one other ASMSA employee that is appointed for a one-year term by the Director. Once the DRC is directed to convene on the 6th day, the decision for withdrawal, if enforced, will be at the discretion of the school. If the student withdraws from the school by the 5th school day, they will be allowed to list it as personal reasons.
 - 2) The Director or their designee will notify the student and their custodial parent/legal guardian of the date, time, and place for the hearing.
 - 3) The student may request, in writing, an earlier hearing. Such request must be addressed to the Director.
 - 4) At the hearing, the student may represent themselves, or they may bring a representative to speak on their behalf. The student's custodial parents/legal guardian may accompany them to the hearing or another person of their choice, but a limit of one support person. The chair of the DRC must be notified five (5) business days in advance of the hearing if a party will be accompanied by a support person. The chair may disallow the attendance of any support

person if they are also a witness or if, in the discretion of the chair, such person's presence would be disruptive or obstructive to the hearing or otherwise warrant removal. All support persons must agree to keep any and all information presented in the hearing confidential in order to attend. Absent accommodation for disability, the parties may not be accompanied by any other individual during the hearing process except as set forth in this policy. School officials may seek advice from the University of Arkansas System Office of General Counsel on questions of law and procedure at any time during the process.

- 5) If the student cannot attend the hearing, it may be held in absentia. The hearing may take place by conference call.
- 6) The DRC shall, at the close of the hearing, make a recommendation to the Director, regarding dismissal of the student from ASMSA. If the recommendation is other than dismissal, the DRC shall specify its recommended disposition of the matter. The DRC shall also inform the student of its recommendation at this time. (See Student Policy Code: V-N)
- 7) In making its recommendation, the DRC shall consider due process; evidence presented at the hearing and precedent from prior DRC hearings on substantially similar matters shall be considered.
- 8) No later than the tenth-class day of the suspension, the Director shall issue a decision.
- 9) The decision by the Director to dismiss the student is final.
- 10) In the event that the Director decides to dismiss the student, the student will be released to their home school.
- 11) The student has the option to withdraw from ASMSA up until the start of the DRC meeting. Once the meeting begins, the student will accept the outcome of the DRC hearing. However, the student does not have the option to withdraw in lieu of a dismissal proceeding involving the following violations:
 - 5-1 Arson
 - 5-2 Assault (Threat with Intent to Harm or recklessly engaging in conduct which creates a substantial risk of death or serious physical injury)
 - 5-3 Battery (Purposefully causing physical injury to another person)
 - 5-4 Bomb Threats
 - 5-8 Possession and/or Use of Weapons, Dangerous Instruments, or Contraband
 - 5-10 Terroristic Threatening

1. **1st. Offense.**
 - a. The student will receive a grade of zero (0) on any document containing false information (e.g., lab reports, homework assignments, etc.)
 - b. Custodial parents/legal guardians will be notified of the Honor Code violation.

4. **ANY Offense Involving Capstone Experiences and Related Assignments.**
 - a. The student will receive a grade of zero (0) on the work itself and any work that depends upon that work (e.g., if the student falsifies data for science fair, this would also result in a zero (0) for the discussion, conclusion, implications, backboard, and abstract.) **It is important to note that this may affect a student's grade to the point that they will be withdrawn academically from ASMSA.**

- b. Custodial parents/legal guardians will be notified of the Honor Code violation.
 - c. The student will be placed on academic probation and Honor Code probation.
 - d. The student will not be allowed to sign out for 30 calendar days.
 - e. The student will receive a minimum of one (1) Level 2 violation.
5. The Dean of Academic Affairs shall decide on all cases of academic dishonesty, including the decision to withdraw a student academically. The student may appeal the Dean's decision in writing to the Director within five (5) calendar days.

G. Discipline for Students with Disabilities. See appropriate public education guidelines (FAPE – Free Access to a Public Education). However, a student's right to a free public education resides at the home school. A person will be designated as a grievance officer for Section 504 of the Rehabilitation Act of 1973. The 504 Coordinator can be reached at (501) 622-5176.

VIII. Emergency Procedures

A. Fire Alarms

1. **Rally Points.** As people exit the building, they should go to one of two Rally Points. People in the Student Center will proceed to Rally Point 2. If located in Selig Hall, proceed to Rally Point 3. If located in the Administrative/Academic Building, or CIC proceed to Rally Point 1.

Rally Point 1	First Presbyterian Church parking lot.
Rally Point 2	Student parking lot behind the Student Center up the hill.
Rally Point 3	Student Center Courtyard
2. **Class Day Evacuation Procedures.** Classes in session in the Administration Building will go to Rally Point 1. Teachers will

 - 4) Check roll, and
 - 5) Report the total number of students present.
 - b. Students in the Administration Building who are **NOT** in class will go to Rally Point 1 and report to the Dean of Academic Affairs secretary.
 - c. Residential Life Staff will go from room to room and evacuate students according to predetermined emergency exit routes. Fire exit routes are posted on each floor.
 - d. Persons at Rally Point 2 and 3 will do the following:
 - 1) Students will line up single file as far from the buildings as possible.
 - 2) Students will count off out loud, starting with 1.
 - 3) The Counter will supervise to make sure the count is done accurately.
 - 4) The other adults present will follow up to conduct a second count.
 - 5) Students and adults will send any late-arriving students to the end of the line opposite from where the counting started.
3. **Nighttime and Weekend Evacuations (5:00 p.m. until 7:30 a.m.)** Evacuations at night will occur in the same manner as daytime evacuations, with the following differences:
 - b. All Student Center floors will evacuate to Rally Point 2 and Selig to Courtyard closest to Pine Street.
 - c. Students will group together by floor and line up in single file. RMs will account for their students.
4. **A minimum of one fire drill per semester will be held.**

B. Tornado and Severe Weather Procedures.

Security is equipped with weather alert radios. If severe weather conditions occur

1. Security will monitor the radio and call the Hot Springs Police Department for additional information.
2. If a tornado warning is in effect, an alarm will sound.
3. Staff will go from room to room and direct all students to the basement of Selig Hall (Selig Hall) or the first floors of the Student Center.
4. Faculty will lead their students from classrooms and labs to the basement of the Administration Building or the Computer lab in the CIC.
5. Students will sit on the floor in designated locations and assume “storm position” (head down and tucked between knees).
6. Students will remain on first floor until the “All Clear” signal is given by Security.
7. Staff and Security will continue to monitor conditions until no longer necessary.
8. One tornado drill will be conducted per semester.

C. Active Shooter. DEFINITION: “Active Shooter” is a suspect or assailant whose activity and intent is to immediately cause death and/or serious injury with a firearm or any other weapon to any person(s) at ASMSA.

Procedure: RUN; HIDE; FIGHT

RUN:

- Access the situation, if there is an escape path, attempt to evacuate. If possible, avoid running together in large groups. (This is called the “herding mentality”.)
- Evacuate whether others agree to or not.
- Leave your belongings behind.
- Help others escape if possible.
- Prevent others from entering the area or building.
- Call “911” when it is safe to do so.
- Do Not Stop for the injured.
- Climb out of window(s). If it will not open, break it to escape.
- Look for unorthodox means of evacuation (windows, sheetrock walls, vents).

HIDE:

- If evacuation is not possible, find a place to hide.
- Lock and/or blockade the door.
- Silence your cell phone.
- Hide behind large objects or in bathrooms or closets in the room you are in.
- Remain very quiet.
- Your hiding place should be out of the shooter’s view.
- Your hiding place should provide protection if shots are fired in your direction.
- Avoid pointing or yelling.
- Turn off lights.
- Stay away from windows, if possible cover them up with whatever is available.

FIGHT:

- As a last resort, and only if your life or others is in immediate danger.
- Attempt to incapacitate the shooter.
- Act with physical aggression.
- Improvise weapons. Use fire extinguisher for smoke screens. Any object can become a weapon. (Chairs, sticks, computers, blunt objects, etc...)
- Commit to your actions, this is what will save the lives of others and yours.

911:

- Remain calm and follow directions from operator.
- Know that help for the injured is on its way.

Turn off the lights, move away from windows and remain quiet.

Students may receive notification by text over their cell phones declaring an emergency, including an armed intruder.

Do not open the door until you are told to do so by the authorities via text or police. If it is a lockdown drill, the all clear will come from ASMSA. If it is not a drill, **you must wait until the all clear is given by the police.**

No one is to leave their or evacuate the building until told to do so by the Hot Springs Police Department via PA system or official ASMSA text message.

IX. DRESS CODE

Every student will be assured of their individual and protected right to dress and groom according to personal preference, so long as the students' dress and grooming are not disruptive to the educational process, do not constitute a threat to the safety and health of self or others, and are not in violation of an applicable law, statute, or ordinance. No student dress, which has the potential to disrupt the educational process, (as outlined below) can be permitted.

Any action taken to enforce the dress code will be done to promote mutual respect between students and staff. Enforcement of dress code should never interrupt a student's academic day, and should always be handled with the utmost tact and respect for the student. In turn, students should be mindful of the dress code and act respectfully when approached about a dress code violation. Individual breaches of the dress code are not disciplinary violations; however, repeated incidents constitute a failure to follow reasonable instructions.

ACADEMIC STANDARDS

The academic standard is intended to be more formal than the residential standard in order to create a more professional setting. The academic standard of dress will be followed at all times in academic facilities, at academic functions, admissions events, and any time students represent the school.

1. The student's midriff, back, lower chest and upper thigh must be covered at all times.
2. As a general rule, no shorts, skirts, or dresses should be shorter than the length of the student's thumb when their arms are at rest.
3. No undergarments may be visible at any time. This includes underwear, boxer shorts, and bras (excluding the strap).
4. Transparent or semi-transparent leggings and other bottoms may be worn with dresses, tunics, and oversized shirts, as long as the leg is covered by the article of clothing on the top to the length of the student's thumb when arms are at rest.
5. No loungewear of any form will be permitted. This includes pajama pants.
6. Shoes must be worn at all times. House shoes and flip flops (backless, open-toed shoes that lack hard soles) are not permitted.
7. No article of clothing that obscures the student's face will be permitted (unless required by religion, medical, or other reason by school administration).
8. Lab dress code, as outlined by the lab supervisor, must be followed in all science labs in order to ensure student safety.
9. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana or other controlled substances.
10. Clothing may not depict or imply pornography, nudity, or sexual acts or display or imply vulgar, discriminatory, or obscene language or images.

RESIDENTIAL STANDARDS

The residential standard is intended to be more relaxed than the academic standard in order to create a more comfortable setting. The residential dress code applies to areas of campus that do not host academic events (class, meeting, assemblies, etc.). Hall areas will allow more relaxed dress, but the residential dress code must be followed in all common areas of the Student Life Center.

9. The student's lower chest and upper thigh must be covered at all times.
10. As a general rule, no shorts, skirts, or dresses should be shorter than the length of the student's thumb when their arms are at rest.

11. No undergarments may be visible at any time. This includes underwear, boxer shorts, and bras (excluding the strap).
12. Pajamas and loungewear, including house shoes, flip-flops, or socks may be worn, as long as students observe situational awareness that includes being aware of what is appropriate for each situation (when in doubt, ask a staff member).
13. Feet must be covered at all times outside of the student's room. Shoes must be worn at all times in common areas.
14. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, or the use of alcohol, tobacco, marijuana or other controlled substances.
15. Clothing may not depict or imply pornography, nudity, or sexual acts or display or imply vulgar, discriminatory, or obscene language or images.

The Coordinator will seek, under the terms of the Rehabilitation Act known as 504, by examining the records of current and in-coming students, such conditions that might be substantially debilitating and convene a 504 Committee to review each case.

The 504 Committee will consist of the Dean of Academic Affairs, the Dean of Students, the three Student Success Coordinators, the school nurse and an instructor.

The Coordinator will train faculty and staff during annual fall staff development about 504, stressing their obligation to report conditions that might fall under the law in a timely manner. The Coordinator will inform students and parents of their 504 rights during student orientation and solicit requests for services, if appropriate and documented.

MENTAL HEALTH

The following letter is used to inform parents/legal guardians of the required mental health review when a student has made verbal statements, texts, emails or any other notification of a threat to harm themselves or others. Physical signs of dangerous or damaging treatment/signs are also reason for a review.

Dear _____,

In light of recent events the school is requiring a mental health review for your son/daughter. This review is for the welfare of son/daughter and the community. This review must be done by a licensed mental health professional. The student will need to leave campus until the completion of the review. The review must be received by the Dean of Students or designee before the student can return to campus and attend academic classes. The review should be sent by fax or postal mail on physician's letterhead with the printed name and phone contact of the professional completing the review. The following areas of concern need to be addressed specifically.

1. Is the student of danger to themselves?
2. Is the student of danger to others?
3. Is the best environment for this student a residential setting away from home?
4. Is the student under undue stress from the rigors of the ASMSA environment?

The review is considered a medical leave of absence and the student will be excused from classes. It is expected that the school will receive within five (5) calendar days an update of student's progress. Work will need to be completed by the end of the semester. The student's teachers will be contacted so homework assignments can be emailed or mailed by U.S. Postal Service. The Dean of Academics can be contacted by email or phone for further information concerning academics, this contact information is available on the school's web page.

Any special physical needs are to be communicated to the school nurse. This can be done directly or through the Dean of Students. The school nurse's contact information is available on the school's web page.

It is the goal of ASMSA to have the best interest of the student and the community addressed. Being in a residential setting creates demands on time and energy for students, staff and faculty. In order to maintain a level of security and safety a certain standard need to be met in all health areas.
