

If you applied for a previous year, but are now reapplying for the current Admissions Year:

Step 1: Navigate to the ASMSA Application Page and click “Application Portal”

Step 2: On the page that appears, enter the **Adult Account Holder email** that you used when you created the account and click “Next”.

Follow the prompts to log in with the adult account holder’s password. Again, if the password has been forgotten, follow the prompts from Step 2.

Step 4: Once you sign in, you may need to click the student’s name (in this case “Dolphin”) in the upper left hand corner of the screen.

Step 5: As a reapplying student, you have automatically been assigned a new admissions checklist with information for the upcoming year. You can begin working through your application and checklist.

The screenshot shows the Arkansaw School Admissions Portal for a student named Dolphin Student. The header includes the school logo and navigation links for Children, Resources, News, and Calendar. The student's profile shows they are entering the 2026-2027 year in 11th grade at ASMSA. The main content area displays an admissions checklist with three items: Application Form, Educator Recommendation Form, and Art P.O.D. Teacher Recommendation - optional. Each item has a 'Start' button and a due date of 3/1/26. A 'Hide completed' toggle is visible in the top right of the checklist section. A sidebar on the right contains a 'Welcome to the admissions' message and an 'Apply at' button with a group icon.

If you have forgotten the password you used with the adult account holder email, then click “Forgot Login” and follow the steps to retrieve or change your password. Once you have your password, return to the log-in screen and begin the process again.

Step 3: On the ASMSA page that appears, click “Continue”...

The screenshot shows a login page for Arkansas School. At the top is the school's logo, which consists of a stylized flame icon and the text "ARKANSAS SCHOOL FOR MATH, SCIENCES, + THE ARTS". Below the logo is the heading "Continue with email". There is a text input field for an email address, with a red asterisk indicating it is required. The email address "phinparent@gmail.com" is entered. Below the input field is a checkbox labeled "Remember my email", which is currently unchecked. A large, dark blue button with the text "Continue" is positioned below the checkbox. A horizontal line with the word "or" in the center separates this section from the next. Below the line are three buttons for social login: the first has a lock icon and the text "Arkansas School for Mathematics, Sci..."; the second has the Google logo and the text "Continue with Google"; the third has the Apple logo and the text "Continue with Apple". At the bottom of the page, there is a link that says "Need help? Have questions?" and a logo for "blackbaud" with the text "Powered by" above it.
