

If this is your first time logging in, creating an account, or starting an application:

Step 1: Navigate to the ASMSA Application Page and click “Application Portal”

Step 2: On the page that appears, click “Create Account”

The screenshot shows the login and account creation interface for the Arkansas School for Math, Sciences, + The Arts. The header features the school's logo, a stylized triangle with a flame, and the text "ARKANSAS SCHOOL FOR MATH, SCIENCES, + THE ARTS". The page is divided into two main sections. The left section, titled "Create an Account", contains instructions: "You must create an account before you begin your application. Please remember the email and password that you choose when creating your account." Below this text is a blue link labeled "Create Account", which is circled in red. The right section, titled "Already have an account?", features a text input field with the placeholder "Email" and a dark blue button labeled "Next". At the bottom of the right section is a link that reads "Forgot login or First time logging in?".

Step 3: Enter Candidate Information – at ASMSA, the Candidate is the **student** who is applying for admission.

If you have a choice for the Entering Year select 2027-2028

For Entering Grade select the grade your student is applying to start at ASMSA:

Current 9th grade student → Entering Grade = 10th Grade

Current 10th or 11th grade student → Entering Grade = 11th Grade

FOR MATH, SCIENCES, + THE ARTS

Create an Account

Enter the following required information to continue

- * Candidate First Name
- * Candidate Last Name
- Candidate Preferred Name
- * Candidate Date of Birth
- * Entering Year
- * School Level
- * Entering Grade

Student's First Name

Student's Last Name

Student's Preferred Name
Leave blank if no preferred name.

Student's Birthday

Select Your Option
(see above)

Step 4: Enter Adult Account Holder Information – this will be information for the parent/guardian of the student applying for admission.

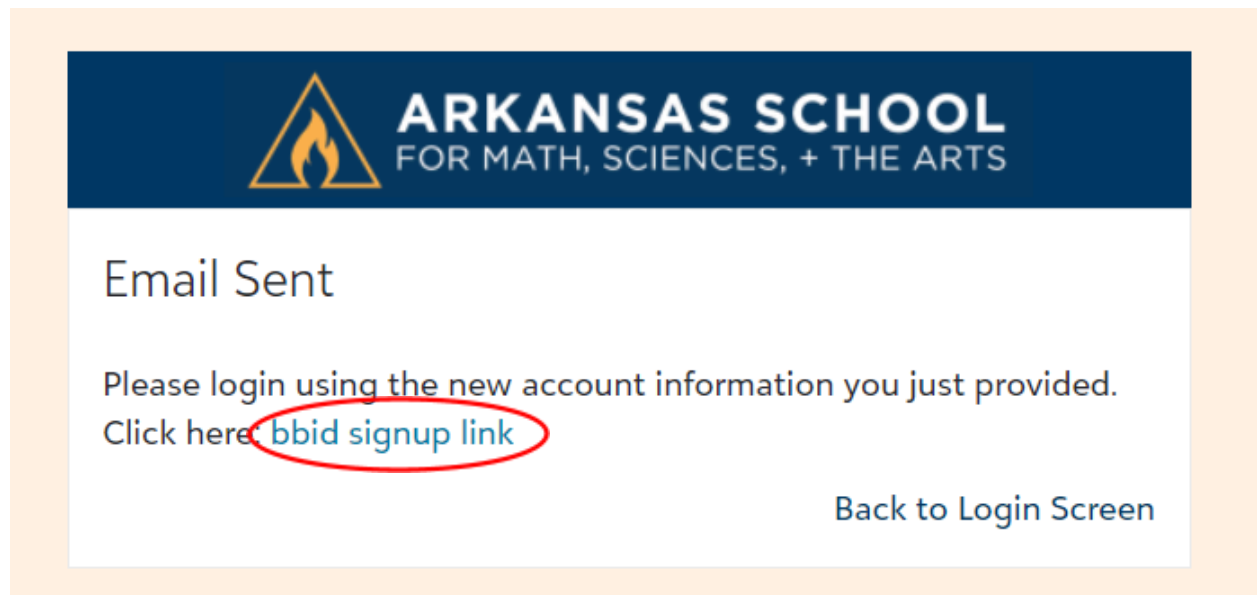

The screenshot shows a registration form titled "Adult Account Holder". It contains the following fields and elements:

- * Your First Name**: A text input field containing "Dolphin". A red arrow points from the label "Adult's First Name" to this field.
- * Your Last Name**: A text input field containing "Parent". A red arrow points from the label "Adult's Last Name" to this field.
- * Your Login Email**: A text input field containing "phinparent@gmail.com". A red arrow points from the label "Adult's Email" to this field.
- * Relationship To Candidate**: A dropdown menu with "Guardian" selected.
- reCAPTCHA**: A checkbox labeled "I'm not a robot" next to a reCAPTCHA logo. Below the logo are links for "Privacy" and "Terms".
- Agreement**: A checkbox followed by the text: "* I agree to [terms of use](#) and [privacy](#) and to comply with COPPA, I affirm that I am 13 years or older."
- Create Account**: A dark blue button at the bottom right.

You will need to have access to the **adult's email account** in order to continue. Do not enter a student email at this time! Do not use a school domain or school email address, even for an adult's email.

Once you have confirmed all information is correct, **click "Create Account."**

Step 5: You will be directed to a page asking you to login using the account information you just provided. Click “bbid signup link” to proceed.

You are now directed to a Blackbaud page. Blackbaud is the service that hosts our application. Enter the adult email address you used above and click “Continue”. We *do not recommend* logging in with Google or Apple!

A screenshot of a web page for signing in or signing up. At the top, there is a placeholder for a 'Banner image'. Below that is the heading 'Sign in or sign up'. The instruction 'Enter your email address.' is followed by a text input field containing 'phinparent@gmail.com'. Below the input field is a checkbox labeled 'Remember my email'. A large blue button labeled 'Continue' is positioned below the checkbox. At the bottom, there is a horizontal line with the word 'or' in the center. To the right of the form, a red arrow points from the text 'Adult's Email Should match what you put on the account creation page.' to the email input field.

Step 6: If requested, click “Send confirmation code” to send a confirmation email to the email address provided.

The image displays two sequential screenshots of a web-based sign-up confirmation interface for Blackbaud.

Left Screenshot: The page is titled "Sign up" and includes a "Banner image" placeholder at the top. Below the title, it states: "Confirmation of your email address is necessary to create an account." The email address "phinparent@gmail.com" is listed. A prominent blue button labeled "Send confirmation code" is centered. At the bottom, there is a link "Back to sign in" and a footer stating: "By continuing to sign up, you are agreeing to the Blackbaud, Inc. [Terms of Use](#) and [Privacy Policy](#)."

Right Screenshot: This screen follows the first. It shows the same "Sign up" header and "Banner image" placeholder. The explanatory text remains. The email address "phinparent@gmail.com" is shown above a text input field labeled "Confirm code" which contains the value "769649". Below the input field are two buttons: a blue "Confirm" button and a white "Send new code" button. The "Back to sign in" link and the footer text are also present at the bottom.

Enter the code you have been sent in the box as shown and click “Confirm”. Remember, your code will be different than what is shown in the screenshot!

Step 7: Create a password for your account that is associated with the Adult email. Make a note of this password! You will need it to access the ASMSA application and checklist again!

Sign up

Confirmation of your email address is necessary to create an account.
The code has been verified. You can now continue.

phinparent@gmail.com

Password
.....

The password must contain at least 12 characters

The password must contain at least 3 of the following:

- Lowercase letter
- Capital letter
- Number
- Special character (!, #, %, etc.)

Confirm password
.....

First name
Dolphin

Last name
Parent

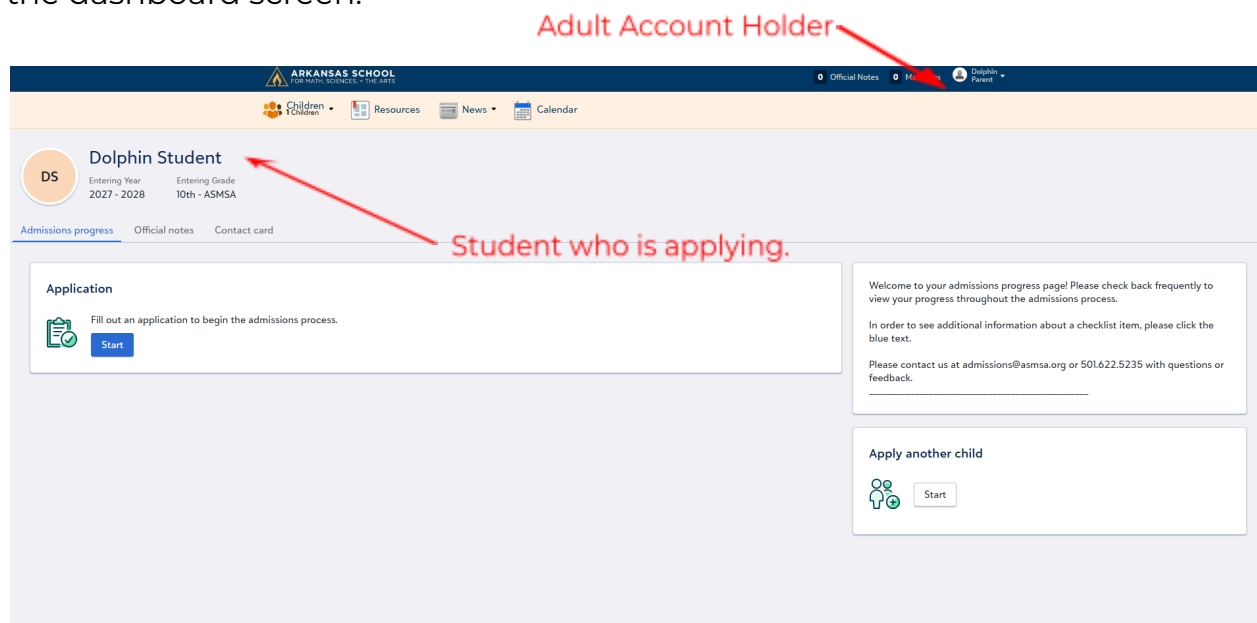

[Sign up](#)

[Back to sign in](#)

This should be adult's first and last name!

Once you have entered a password, click "Sign Up."

Step 8: You're now directed back to the ASMSA application screen. If you choose to follow the intro guide, Blackbaud will walk you through key areas of the dashboard screen.

This main page is where you will find the Admissions Checklist which will be assigned by our office after your account is created. Right now, you can continue with the application form.

Step 9: To open the application and begin completing the information, click “Fill Out” or “Start”. The application will save your progress and you can return to it at any time.

Welcome to our Fall 2027 Application Form

Thank you for beginning your admissions journey with the Arkansas School for Mathematics, Sciences, and the Arts. This application form is one of multiple steps that you must complete to be considered for application in Fall 2027. All required Admissions Checklist items (including sending an ACT score) must be completed by March 14, 2027.

As you complete this application form, here are a few things to keep in mind:

- 1) Always use a personal email (not a school domain) when prompted. If you do not currently have a personal email, we encourage you to create a professional email through a platform like Gmail or iCloud.
- 2) Once you submit this application form, you will not be able to edit your responses. We encourage you to write and edit your response(s) in a word processor (Word, Google Docs, etc.) rather than working directly in the application form.
- 3) When answering questions on this application form, please be as specific as possible. Our admissions process employs a holistic review of every candidate, therefore every piece of information you provide helps us to better understand you as a potential ASMSA student.

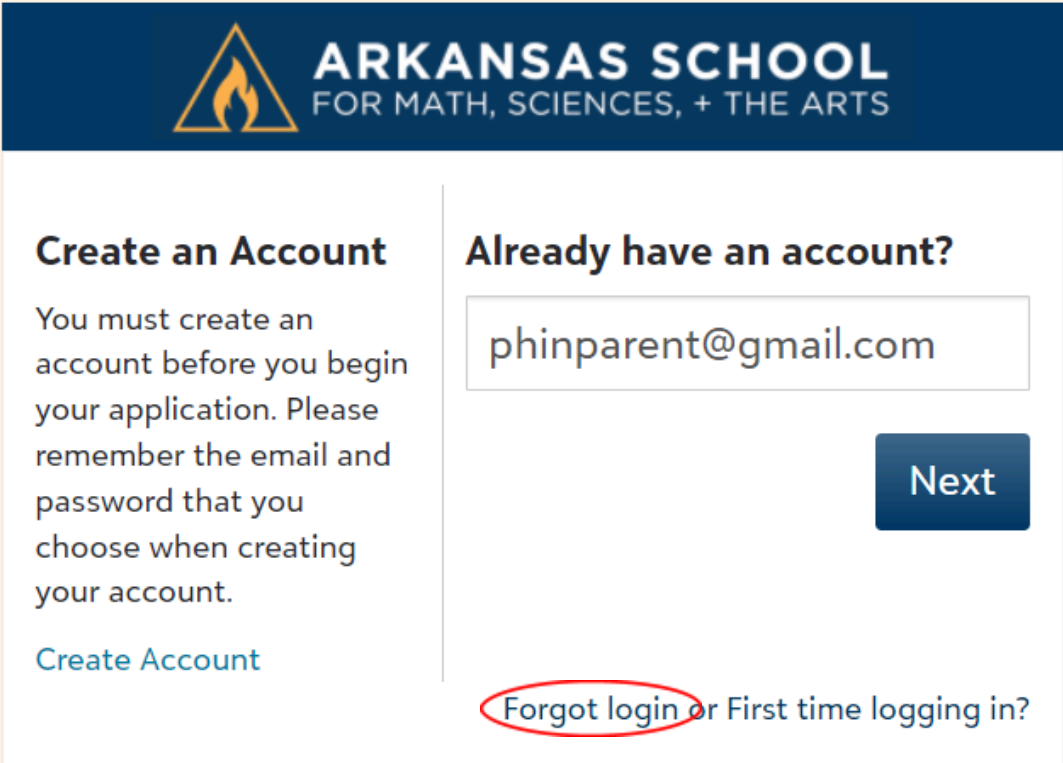

If you have any questions during this process, please contact our Admissions Office via email (admissions@asmsa.org) or via phone call or text (501.622.5235) anytime.

Next

Once you have created an account and and want to return to work on the application:

Step 1: Navigate to the ASMSA Application Page and click “Application Portal”

Step 2: On the page that appears, enter the **Adult Account Holder email** that you used when you created the account and click “Next”.
