

If you applied for a previous year, but are now reapplying for the current Admissions Year:

Step 1: Navigate to the ASMSA Application Page and click “Application Portal”

Step 2: On the page that appears, enter the **Adult Account Holder email** that you used when you created the account and click “Next”.

If you have forgotten the password you used with the adult account holder email, then click “Forgot Login” and follow the steps to retrieve or change your password. Once you have your password, return to the log-in screen and begin the process again.

Step 3: On the page that appears, click “Continue”...

The image shows a login page for the Arkansas School for Math, Sciences, + The Arts. At the top is the school's logo and name. Below that is the heading "Continue with email". There is a text input field for "Email address" with the value "phinparent@gmail.com". Below the input field is a checkbox labeled "Remember my email". A large blue button labeled "Continue" is positioned below the checkbox. Below the "Continue" button is a horizontal line with the word "or" in the center. Underneath the line are three buttons: the first has a lock icon and the text "Arkansas School for Mathematics, Sci..."; the second has the Google logo and the text "Continue with Google"; the third has the Apple logo and the text "Continue with Apple". At the bottom of the form is a link that says "Need help? Have questions?". Below the link is the text "Powered by" followed by the "blackbaud" logo.

Follow the prompts to log in with the adult account holder's password. Again, if the password has been forgotten, follow the prompts from Step 2.

Step 4: Once you sign in, you may need to click the student's name (in this case “Dolphin”) in the upper left hand corner of the screen.

Step 5: As a reapplying student, you have automatically been assigned a new admissions checklist with information for the upcoming year. You can begin working through your application and checklist.
