RE: Intent to Award – ASMSA FB-27001, HVAC Maintenance Monitoring and Related Services

To All Respondents:

The University of Arkansas Grantham (UA Grantham), acting on behalf of the Arkansas School for Mathematics, Sciences, and the Arts (ASMSA), has completed its review of responses received for the above-referenced solicitation. The solicitation response deadline was October 23, 2026, and seven (7) responses were received.

Based on the results of the bid tabulation, OCJ/dba Connell Construction has been identified as the apparent successful respondent. This letter serves as formal notification of intent to award and indicates that negotiations may begin with the apparent successful respondent, subject to the applicable procurement requirements and the successful completion of negotiations. Any resulting contract will be executed by the appropriate contracting authority for ASMSA.

UA Grantham and ASMSA appreciate the time and effort invested in preparing and submitting a response. We value the participation of our supplier community and thank you for your interest in this solicitation.

Sincerely,

Noel Johnson
